1) ROLL CALL

2) NEW BUSINESS

a) Historic Landmark Survey and Project(s) – Action

At the April 24, 2024 meeting of the Westminster Historic Landmark Board, the Board discussed their work to date regarding a Historic Survey and related Historic Preservation project. History Colorado has grant funds available for these types of projects. The notes from their meetings were provided at the April 24, 2024 meeting.

To ensure public notice of the Board's intention to submit grant applications for these projects, an additional meeting of the Westminster Historic Landmark Board is scheduled for Wednesday May 22, 2024.

A motion to move forward with two grant applications to History Colorado will be made at this meeting.
