My only wish here is expanded hours - open earlier on the weekend.	4/13/2024 8:49 PM

123	I love the parks, rec center, and library here in Westminster. I find most of the staff in particular the supervisor at the City Park fitness center to not be very friendly at all. They don't seem that invested in there jobs or very happy to be there. Not all of them but particularly the supervisor. She seems to take happiness in putting people (including employees) down. Not just the scared conservatives - book bans should not be allowed - all books are important and should be left up to the reader to read them or not - parents should be able to monitor what their kids read or don't read. One group of individuals should not be able to dictate the views and morals of all. We are all free and able to make our own decisions.	4/11/2024 9:14 AM
148	Many programs, beautiful trails, nice libraries. Rec Centers are clean and diverse. Need an outdoor pool that is adult-friendly and has adult swim time, even for an hour in the morning	4/11/2024 9:07 AM

151	The library is fantastic! Keep it up. The Open Space dept has no transparency. Not sure if this falls under parks. Why did they clear-cut all the trees along Big Dry Creek Trail? This seems ludicrous. Why was no one informed about this plan?	4/11/2024 9:00 AM

library in any other town that can loan through Westminster. I have been to the Broomfield library several times to get books that they bring in from Longmont, Erie or Lafayette.

165	Great job maintaining parks and open spaces. Issues get resolved or at least addressed quickly.	4/11/2024 7:16 AM
166	The areas all over the city has positioned great parks for recreational use. I will also mention that Pickleball is growing also and should also be addressed with tennis together in one large lighted facility.	4/11/2024 7:00 AM

175	Great Fjtness Classes	4/10/2024 11:01 PM
176	I feel there has been a great reduction and care of the parks. Water g has been decreased, maintenance has been reduced and the parks are a far cry from what they were 5 years ago.	4/10/2024 10:33 PM

187	Friendly staff at rec. centers, we need more swimming facilities! The Rec center at 104/Sheridan is sooooo over crowded! Kids throw their balls., and you have to move out of their way or duck so you don't get hit. These kids should be kicked out.	4/10/2024 8:53 PM

207	The recreation centers and the open space. Can never have too much open space and trails.	4/10/2024 6:49 PM
208	Our recreation centers and library buildings and parks and trails. I moved to Westminster 40 years ago because of the city's award winning recreation programs and I have never been disappointed. Library programs are great too. The city used to provide sporting equipment to those who rented space in one of our parks (don't know if they still do) and that was nice.	4/10/2024 6:40 PM
209	The amount of dog friendly areas!	4/10/2024 6:33 PM
210	A lot of open space. Great rec centers.	4/10/2024 6:32 PM

222	I work at Ball Corp and do not live in Westminster but I am grateful to be able to take advantage of the exercise classes at the Westview Rec Center. The facility is clean, has friendly staff and I love taking Monica's Tuesday/Wednesday evening classes. I did the Adult Easter Egg hunt this year and that was well organized, creative and fun to attend. I use the recycle containers at the Westview rec center as well but maybe that is not parks and rec but I appreciate having that available.	4/10/2024 5:15 PM

225	The rec centers have a good variety of classes	4/10/2024 5:02 PM
226	Rec centers are valuable and well run. Library seems to have fewer resources. We love all the ponds. As climate changes, parks (not necessarily open spaces) will need more shade. Preserve and care for the canal and streams as quiet, shady areas to move through.	4/10/2024 5:00 PM
227	Some beautiful facilities, and gorgeous open spaces. The Westminster hills open space (dog park) is an extraordinary resource for our community.	4/10/2024 4:58 PM

232	I feel the city should expand upon removing more of the dead branches & trees along 104th from Sheridan & Federal Blvd, to start. They never should have planted trees in the medians. No trees should be planted between & along concrete. Which explains why their all dead now. It's been 40 years. Even the ones on & @ the golf courses.	4/10/2024 4:36 PM

243	In addition to car carried watercraft allow trailered sail boats at Standley lake. Require them to stay on park property the entire season with a quarantine period/decontamination before allowed in the water. I feel like the trails around the city are well maintained, the community could benefit from expanding them, giving access to more areas by foot and bike with minimal interaction with vehicle traffic.	4/10/2024 4:07 PM
244	Westminster Parks/Rec has some great facilities north of 92nd. They are great areas to ride your bike, go for a walk, and hang out. Expanding the nature trails (especially near the rec center) is very much welcome.	4/10/2024 4:07 PM
245	I enjoy the library features and extended hours.	4/10/2024 4:05 PM

255	Like rec center and all the classes.	4/10/2024 3:28 PM
256	Westminster Parks are fairly well distributed throughout the city limits and the current recreational facilities are well maintained. Senior activities are excellent.	4/10/2024 3:27 PM
257	Maintenance of public facilities	4/10/2024 3:26 PM
258	1. City Park Rec is always spotlessly clean, and the staff is always friendly and helpful. 2. The College Hill library staff is super helpful with finding just the right book or researching the location of one (may be in another library district). The eBook and audio book selections have met my needs too. (These are pretty much the two facilities I visit due to time and distance) I also have enjoyed volunteering with Parks & Rec. Love the idea of the seed library. And the vending machine library in City Park.	4/10/2024 3:26 PM
259	rec center classes online audio books and digital books	4/10/2024 3:22 PM

262	trying to update playgrounds, rec centers, libraries..	4/10/2024 3:16 PM
263	Priority should be to protect the land - WHO is an example of the City not honoring open space.	4/10/2024 3:15 PM
264	Studio Fitness classes, Fitness rooms Cleanliness Quality staffing (trained)	4/10/2024 3:13 PM
265	Parks.... they are well maintained and beautiful.	4/10/2024 3:12 PM
266	The parks and libraries that we do have seem to be nice. Wish there were more parks/green spaces though (I love how Arvada is more connected so I can go really far through green space paths).	4/10/2024 3:12 PM
267	I guess I really don't have anything for this question. The community as a whole doesn't have anything good to say right now About the parks and rec and library department	4/10/2024 3:11 PM
268	The parks are great. Tennis courts / pickleball courts but please keep the tennis courts	4/10/2024 3:11 PM
269	This huge department does a great job. Libraries and Rec centers are great. Ensuring trash receptacles in many places is very important for parks. When I go for walks I like to pick up trash a long the way but hate when I have to carry it a long way even when walking on greenbelt walkway (Airport Creek). New playground at Sherwood Park great.	4/10/2024 3:10 PM
270	Feel the city attempt to go natural or "green" in some areas such as the test area on the nw corner of McCall park across the street from city hall looks horrible. They have been trying for three years and it looks worse each year. We feel the same about the area in front of the police department. It has been an expensive experiment that has never worked. It all looks horrible and is not a positive light on the city of Westminster or its taxpayers.	4/10/2024 3:10 PM
271	Golf courses are in good shape and the staff support the high school golf teams.	4/10/2024 3:09 PM

274	Lots of parks and well maintained. I live directly across from Amherst park and play pickleball in the hockey rink all the time with Neighbors. Would love to see the pickleball courts re-painted.	4/10/2024 3:06 PM
275	Westminster has done a good job of setting aside land for parks and trails/walking paths. They need to continue to maintain the parks and playgrounds and upgrade when needed.	4/10/2024 3:04 PM
276	I like that Westminster spends considerable money on the trail system, and parks.	4/10/2024 3:03 PM
277	Westminster has great parks, recreation and libraries dept. great personel Best thing is to leave the existing parks alone instead of pickle ball courts and	4/10/2024 3:00 PM
278	I think it does well at trails, landscaping and programs. I think it should continue adding native areas and more water conservation efforts with xeric plants.	4/10/2024 2:59 PM

279	Keep up high quality maintenance of all parks. Please fix fence along Ketner Lake and Countryside drive. It has ben broken for many, many years now.	4/10/2024 2:58 PM
280	So many! Classes Parks Library Love all of it	4/10/2024 2:58 PM
281	The Westminster rec center offers a nice variety of kids classes, we especially love the chess class. The family classes at Standley lake are great, would love to see more of those and more variety.	4/10/2024 2:57 PM
282	Maintenance is a strength! Due to there being very little vegetation or trees this is actually a low bar. However, if a tree does fall you guys cut it up with haste!	4/10/2024 2:57 PM
283	I love the number of and variety of parks, trails, and open spaces available to enjoy. I appreciate that many are seemingly safe and do not have constant homeless issues. I appreciate I can feel safe taking my pets and children to enjoy our parks. I also appreciate the programs like the buy a tree, replacing grass with natural plants and pollinator friendly plants.	4/10/2024 2:56 PM
284	Love the parks!	4/10/2024 2:54 PM
285	Superb maintenance of open spaces and trail systems. The library has a lot of great resources (printing, internet, passes to local attractions).	4/10/2024 2:51 PM
286	Off leash dog park off of both Simms and 100th. Please keep it exactly how it is. Add fences just outside of the pathways if you want to protect the plants/wildlife, but don't close off any of the current trails/areas from the off leash dogs.	4/10/2024 2:51 PM
287	Variety of playground structures and open spaces. Great librarians.	4/10/2024 2:51 PM
288	One of the greatest strengths of the City of Westminster is the Open Space and Parks...lots of places for people to get outside and enjoy nature. I also appreciate the connecting of biking trails.	4/10/2024 2:46 PM
289	The dog park is the best thing about Westminster. It's a great place to let my dogs run around in a safe environment. Second is the well maintained parks. Library is not important to me.	4/10/2024 2:45 PM
290	Wonderful dog park.	4/10/2024 2:45 PM
291	We enjoy that our area seems to have a lot of smaller parks or areas with grass for our dog. We also recently bought gym passes and feel like they are a great deal and we enjoy the facilities. I would love to see better walking paths and connectivity between parks as well as shaded areas and updated facilities. We live near Orchard Park and there haven't been many upgrades and I think there is a lot of potential with the old roller skating area and some other more run down parts of the park. The recent construction is also making that park look very disheveled as the grass that got lifted died. I think in general all parks should also offer recycling bins at a minimum and eventually compost bins. I would love to see water fountains and dog fountains which may encourage more people to use refillable containers while at the park. Finally, farther in the future I would love to see bathroom facilities at some of the larger parks (Westminster Park) so that events could be hosted more comfortably.	4/10/2024 2:44 PM
292	Maintenance seems to be very good. Never any serious issues in most parks.	4/10/2024 2:43 PM
293	The library is a great place to access books and has great events/groups. I'd love to see more events and groups as well!	4/10/2024 2:38 PM
294	Love the library and the ability to check out ebooks - so helpful to me and my elderly parents. Keeps them informed and their mind sharp. Need to look at the children's programming further for my grandkids. Rec centers are nice - I tend to use Hyland hills for fitness and parks are also well maintained and plentiful.	4/10/2024 2:37 PM

303	There are a lot of facilities spread out so accessibility seems to be good. The activity options for adults is quite extensive	4/10/2024 2:27 PM
304	Westminster has the best trial system and park maintenance. Although I don't frequent the library much anymore since everything is available online, it is a great resource.	4/10/2024 2:27 PM
305	They respond to calls and move quickly to "fix" and issue I call about. (Messed up bridge, or homeless camp etc)	4/10/2024 2:27 PM
306	I esp LOVE the westminster open space dog park. Please do not scale it down. we should work toward a different solution to resolve any issues around it.	4/10/2024 2:26 PM
307	Keeping the parks accessible, clean, and safe.	4/10/2024 2:26 PM

313	The #1 strength is the commitment over the years to be a leader in the amount of open space and parks reserved for public use and enjoyment. I am not a user of the libraries.	4/10/2024 2:21 PM
314	The parks I visit always seem to be clean and well cared for.	4/10/2024 2:20 PM

318	Imagination library, planting trees, building parks	4/10/2024 2:20 PM
319	I love the Rec Center for the variety of classes, but I wish there were more mat Pilates classes. I love the College library's book group and ebooks	4/10/2024 2:19 PM
320	The staff at your facilities are by far the best part of going. Front desk peeps are kind. Teachers are magnificent. Do what you need to do to keep your people.	4/10/2024 2:18 PM
321	PRL is staffed by amazing and passionate people. Please keep doing that	4/10/2024 2:18 PM
322	More landscape training for homeowners.	4/10/2024 2:17 PM
323	Love your indoor soccer facilities and staff.	4/10/2024 2:16 PM
324	I'll just say one thing. Treating the trails like they are second class citizens, with closures, flooding, mud slides, lack of plowing and general lousy maintenance is discriminatory against users of that system. We often drive bikes at 15-20mph on 45 mph streets as a result of lack of usable trails. This always leads to extra danger, has caused traffic jams, and has caused accidents, not involving us but involving cars angerly passing us, usually illegally.	4/10/2024 2:16 PM
325	There are nice parks. I also love the libraries. I check it a lot of ebooks and audiobooks every month.	4/10/2024 2:15 PM
326	It keeps the parks and walkways clean	4/10/2024 2:15 PM
327	Not completely sure, but I think the city of Westminster does a good job in our overall appearance.	4/10/2024 2:14 PM

330	Leave the Westminster Hills Dog Park alone!	4/10/2024 2:05 PM
331	Love the variety of classes provided to the community and the traveling rec center van	4/10/2024 10:43 AM
332	The department is good at providing a variety of events and activities. The libraries and parks are great. Westminster needs more dog parks and places for just dogs. Too many bikes on some trails make it dangerous for walkers or dogs.	4/9/2024 5:11 PM
333	The Jefferson County library system is the most useful resource in the state. Hosting a variety of classes for all walks of life, options to consume and learn through various forms of media, and free printing on govt documents. The COW is also quick to fill in trenches in the dirt segments on Dry Creek pathway.	4/9/2024 12:29 AM
334	I love the paved walking paths! Please continue maintaining, building and connecting those. Continued tennis court access is a must.	4/6/2024 3:15 PM
335	For the convenience of many people,We should keep doing it.	4/5/2024 7:36 PM
336	The open space system is great and should continue to be expanded through ongoing purchases of land. The trail system is great but could be improved. The on street crossing of Wadsworth Parkway at 92nd is so dangerous. An underpass is needed there. Also, please complete the Walnut Creek Trail between Wasdworth Parkway and Old Wadsworth! ...	4/5/2024 1:28 PM

352	There us a lot of green open space and the libraries are really great.	4/4/2024 10:45 PM
353	Their advantages provide leisure space.The library provides a full range of books, and it needs to continue to do a good job in the classification and introduction of books.	4/4/2024 9:59 PM
354	We should continue to expand the scale. The library has complete books and a good environment.	4/4/2024 9:45 PM
355	It has many entertainment projects and books, so it should strengthen publicity.	4/4/2024 8:33 PM
356	Fun events and social engagement. I recall that there was one a brewery visit punch card for a pint glass that the city put on, it was fun and creative for a city program. The art truck is another great example.	4/4/2024 8:22 PM
357	The off leash dog park staying EXACTLY the same size it currently is.	4/4/2024 5:12 PM

#	RESPONSES	DATE
1	Money, money, money!! I am doubtful that P,R&L will have sufficient funding in the future for all of its operations, major repairs/replacements. Plus, the northern part of Westminster still deserves a recreation center under the city's ownership and management. With an aging population, will there be sufficient programs and activities for aging seniors who want this outlet.	5/5/2024 5:33 PM
2	Not enough for seniors Everything is focused on kids	5/5/2024 10:18 AM
3	Keeping up with a growing community size/demand. I've tried to register for adult art courses, and the registration is filled completely the day it opens. Hard to take advantage of programs due to overwhelming demand.	5/4/2024 9:51 AM
4	City of Westminster needs a tennis center, there is a large tennis community and high school tennis players that could use this resource.	5/2/2024 2:08 PM
5	Would love to see more tennis courts	5/2/2024 1:42 PM
6	The lack of tennis courts and the demand for use.	5/2/2024 10:25 AM
7	We do not have any playable tennis courts in Westminster. It is a huge sport that I feel this town is missing out on and in order to play we have to travel to other towns.	5/1/2024 12:48 PM
8	Safety, funding, and continue classes.	5/1/2024 9:55 AM
9	Competing for space for play at rec centers of different sports.	4/30/2024 10:00 PM
10	While there are some city courts, Westminster lacks a tennis center	4/30/2024 4:48 PM
11	The lack of programming for single, working adults. Plenty of kids, family, and senior programming but us working stiffs who are not interested in the wealthy at the golf course are left out.	4/30/2024 9:47 AM
12	Westminster lacks a tennis enter,	4/29/2024 7:41 PM
13	We have no access to a reasonable tennis facility. We are running out of locations to play and missing so many social opportunities w league events and tournaments as fund raising opportunities	4/29/2024 6:40 PM
14	Not enough family-friendly events in city. Most big events I've been to are focused on beer/alcohol and towards adults. They seem disorganized. Parking in Downtown Westminster is pay which is a reason not to go there. I live far from both Orchards and Historic Westminster, so I don't typically go to events at those locations, especially if it is a weeknight as it can take 30-45 minutes to get there (closer to go to Broomfield or Arvada and can go to Boulder or Denver in same amount of time). WESTYFEST was a nightmare for anyone wanting to use the rides/attractions - lines were about an hour each ride and in the dark and the food lines were too long. Too many vendors too. Could have more rides and have people pay for tickets ACCESS to summer camp - camps are crazy and fill up. Needs to allow more children and should consider additional locations across Westminster. Parents shouldn't have to camp at 6 am to get their kiddo enrolled in a reasonably-priced and close to home camp :(	4/29/2024 4:32 PM
15	As Westminster grows, and the city gets larger, where we play tennis?	4/29/2024 9:15 AM
16	There are no where enough tennis courts or a tennis facility. My wife and I are forced to play in other cities and join their teams. This is a big minus for the great Westminster community	4/28/2024 9:36 AM
17	Tennis facilities are hard to come by - would be great to serve our tennis talent and community	4/27/2024 10:27 PM

	with more access for places to play	
18	No tennis center in the city	4/27/2024 9:30 PM
19	Westminster needs more tennis courts	4/27/2024 5:44 PM
20	Lack of a large public tennis facility, such as Apex in Arvada. Indoor and outdoor courts - (15 altogether?) offering lessons, (both kids and adults) competitive leagues, possibly permanent court time (like Apex) The same holds true for a large pickle ball facility (again like Apex)	4/27/2024 2:41 PM
21	A tennis center would be a great addition to Westminster and surrounding areas.	4/27/2024 12:46 PM
22	I believe a facility similar to the Arvada Tennis center would be well supported by the community.	4/27/2024 11:31 AM
23	I believe there needs to be more tennis and pickleball courts. There is a huge need in the community for youth and adults.	4/27/2024 11:08 AM
24	Tennis, tennis, tennis. We need more tennis courts! not just like 1 or 2, but another full tennis center! like Apex. People are coming from all over the place just to play at Apex and it is SOOOOO crowded. If Westminster build a tennis facility it would allow more people to play more tennis.	4/27/2024 9:44 AM
25	While there are some city courts, Westminster lacks a tennis center	4/27/2024 7:45 AM
26	An indoor tennis facility would really benefit their residents	4/27/2024 6:36 AM

28	The need for a tennis facility.	4/26/2024 10:15 PM
29	Specifically there are LOT of people who play tennis - and there is not much for them given the big picture.	4/26/2024 7:30 PM
30	While there are some city courts, Westminster lacks a tennis center.	4/26/2024 7:02 PM
31	A central tennis and pickleball center.	4/26/2024 6:57 PM
32	I'm a tennis player. I'd like to see more upkeep of the existing courts (good nets, cracks filled, windscreens) and expansion off new facilities. It would be great to have an indoor court facility as well. I know there is demand as the Apex Tennis Center is constantly overloaded with drills, leagues, tournaments, etc. I also use the dog parks regularly. It is important to me that there are trails and open fields for dog exercise.	4/26/2024 5:37 PM
33	There are not enough tennis courts in the city. Please consider building more.	4/26/2024 3:48 PM
34	Need more tennis courts. Need pickle ball courts!	4/26/2024 3:48 PM
35	Westminster lacks tennis courts despite having a few city courts	4/26/2024 3:39 PM
36	A center for tennis / racquet sports would be a huge help for the enjoyment of tennis in the Westminster area.	4/26/2024 2:23 PM
37	Westminster is lacking an indoor + outdoor tennis center!	4/26/2024 1:45 PM
38	Improve selection of books at library	4/26/2024 1:29 PM
39	As population grows, I hope Westminster can maintain enough parks and sports options to serve the community. I think more tennis courts are needed. There is growing interest in tennis around Denver, and Westminster has some but not enough courts.	4/26/2024 1:23 PM
40	Westminster is lacking in tennis facilities and programs, we have to go to Broomfield or Arvada to play	4/26/2024 1:15 PM
41	Not enough opportunities to play tennis	4/26/2024 1:14 PM
42	Not enough tennis courts. Public	4/26/2024 1:06 PM
43	Lack of sport centers and sport learning area for kids AND adults	4/26/2024 12:31 PM
44	While there are some city courts, Westminster lacks a tennis center	4/26/2024 12:23 PM

48	More tennis courts needed	4/26/2024 11:20 AM

52	Need more tennis courts	4/26/2024 11:08 AM
53	Not enough tennis facilities, especially mixed indoor/outdoor.	4/26/2024 11:01 AM
54	Lack of tennis courts/tennis facility	4/26/2024 10:48 AM
55	Add a tennis center	4/26/2024 10:47 AM
56	I live in Arvada and often visit my friends in Westminster. We like to play tennis. Most of the neighborhood parks with courts are unfortunately in poor condition and in need of repair. Also, cycling around Westminster has its ups and downs, but it seems the City is prioritizing this, namely with pedestrian improvements to the Wadsworth corridor, which are great!	4/26/2024 10:41 AM
57	Need more tennis courts, especially with pickleball taking over them.	4/26/2024 10:31 AM
58	Westminster needs a tennis center. Tennis is exploding in the area and we need a single facility that has 15 to 20 courts.	4/26/2024 10:30 AM
59	There is great need for a tennis center	4/26/2024 10:26 AM
60	While there are some city courts, Westminster lacks a tennis center.	4/26/2024 10:26 AM
61	Our community needs a tennis facility to support an underserved tennis community of all ages.	4/26/2024 10:23 AM
62	While there are some city courts, Westminster lacks a tennis center!	4/26/2024 10:23 AM
63	While there are some city courts, Westminster lacks a tennis center	4/26/2024 10:22 AM
64	While there are some city courts, Westminster lacks a tennis center	4/26/2024 10:20 AM
65	There are not enough tennis courts available	4/26/2024 10:19 AM
66	1) Lack of indoor tennis facility. 2) lack of outdoor tennis courts with lights 3) lack of outdoor tennis courts to play during peak time	4/26/2024 10:17 AM
67	While there are some city courts, Westminster lacks a tennis center or any public courts that can host growing USTA league interest (min 5 courts). Westminster citizens interested in competitive league tennis must find leagues and clubs in neighboring communities.	4/26/2024 10:12 AM
68	Lack of tennis courts for recreational tennis players.	4/26/2024 10:12 AM
69	There are far too few tennis courts (especially indoors!) for the NW side of the metro area. The closest major facility is Apex in Arvada, and it's constantly packed. League teams have to stagger matches, and during league there aren't courts evenings/weekends for recreational players or youth.	4/26/2024 10:10 AM
70	Hopefully more tennis courts	4/26/2024 10:03 AM
71	Space for growing current activities	4/25/2024 5:15 PM
72	Westminster has fallen behind other local communities and isn't looking at the totality of the city.	4/25/2024 12:53 PM
73	The roads at Standley Lake park are a mess. They get all muddy and rutted up down by the lake and have to be closed off. You all need to put gravel and get some drainage on that road. It's similar in the campgrounds. Even the trails have some major washed out sections. You should stop wasting money and spend it on items like this that cause erosion and more problems.	4/25/2024 10:30 AM

Parks, Recreation & Libraries Vision Plan - Online Questionnaire #2

74	Our grandson needs a learning center based on Tennis into the future	4/25/2024 7:04 AM
75	We have lived in Westminster for almost 20 years. City Park used to be one of the premium sports fields and over the past 5 years or more has declined each year. Why isn't the new Downtown area used more for the Beer festival and Oktoberfest? And limit the usage of mass people on that park?	4/24/2024 12:02 PM
76	Conservation... I'd like to see our wildlife and open lands protected.	4/23/2024 5:55 PM
77	Lack of a tennis center	4/23/2024 12:42 PM
78	Lack of a tennis center	4/23/2024 12:33 PM
79	There are not enough tennis courts.	4/23/2024 7:42 AM
80	Keeping homeless people and meth out of libraries.	4/22/2024 5:20 PM
81	Overcrowding at rec centers and parks or funding that doesn't support current level to maintain their fantastic service	4/22/2024 4:09 PM
82	Safety for patrons. Not sure what can be done but some of the parks have really rough teenagers and homeless	4/22/2024 11:56 AM
83	Recreation activities for children are lacking compared to surrounding areas such as APEX center. It's a bummer that so many sports are outsourced to third party programs like Skyhawks or i9. Junior golf costs have increased significantly since merging with Trent Wearer compared to similar clinics at Hyland Hills. I wish more activities in general for kids, but also at West View specifically as there are a lot of children in this neighborhood who can only benefit from the countryside pool in the summer.	4/22/2024 11:11 AM
84	Right now is the shortage of Tennis courts. Westminster is part of North JeffCo Tennis Club which is the largest and fastest growing tennis club in CO. This is great news but also makes playing leagues or getting court time increasingly difficult.	4/22/2024 8:12 AM
85	Need more recreational facilities such as Tennis Center. Our tennis layout in the city needs to be reviewed to maintain future design and needs of our City.	4/22/2024 6:46 AM
86	I intensely dislike the Westminster Radio you inflict on the patrons. It is generally played too loud. Most patrons are using headphones and it seems you want to drown that out. Please get rid of it.	4/20/2024 12:04 PM
87	Losing tennis courts, maintenance of courts, lack of diversity of courts. I don't see much basketball, volleyball, etc.	4/20/2024 9:02 AM
88	Increased park usage will create more neighborhood traffic and parking issues and congestion. Please consider this issue when planning for upgrades and expansions of our parks. Most of the smaller neighborhood parks have small parking areas that cannot support parking for large events. Dangerous conditions arise when, overflow parking in clearly marked "no parking" areas, are used and motorists and pedestrians are moving through these areas. Specifically, Lark Bunting Dr. passing through Oakhurst Park II. Residents have the right to safe movement, to and from, their neighborhood	4/19/2024 12:00 PM
89	Too little parking near library and recreation centers	4/18/2024 10:35 PM
90	Overuse.	4/18/2024 5:36 PM
91	Trash management, overuse, transient individuals, access for all, a place for off-leash dog to enjoy	4/18/2024 3:16 PM
92	The same things that draw kids & families can also draw homeless or teens/ people that can misuse the space	4/18/2024 12:57 PM
93	Being able to maintain a safe, clean environment. Having well maintained bike paths.	4/18/2024 11:20 AM
94	Open space with the increase in housing density	4/18/2024 7:41 AM
95	Wish there was swimming at Standley Lake. Some of the trees are over-trimmed (like huge branches removed that have been growing fine for 50 years).	4/17/2024 10:32 PM
96	Not implementing what residents want	4/17/2024 5:57 PM
97	Maintaining open space and keeping up with technology.	4/17/2024 4:08 PM

Parks, Recreation & Libraries Vision Plan - Online Questionnaire #2

98	I understand that it is expensive, but it is sad that there is no rec center closer to the northern end of the city. I would love to see more activities. They don't have to be different. Swim classes, summer camp and many other events fill up so quickly that if you are not signing up on first day of availability you can get in.	4/17/2024 1:11 PM
99	Increase in number of people coming to Westminster. More crowded parks, facilities.	4/17/2024 11:02 AM
100	upkeep of the parks along with safety. Green areas around city center	4/17/2024 8:22 AM
101	Lack of Asian cultural activities	4/17/2024 8:13 AM
102	Need to find a way to recycle and promote sustainability. Find a way to make walking trails safer with bikes and electric scooters. Enforce dog leash rules for the people who do leash their dogs.	4/16/2024 8:28 PM
103	It would be nice if the library had longer hours on Sundays. We have also had negative experiences at the Rec Center pool where kids and young adults were rough housing and throwing footballs across the pool, and a football hit my 8 year old child. I didn't feel safe having her or my toddler in the pool and the lifeguards did nothing about it (this has happened a couple of times). I also no longer feel safe along some of the walking/biking trails due to the homeless/tent presence.	4/16/2024 8:18 PM
104	The bike paths are detoured in areas, have been for months due to algae. Would love for that problem to be addressed.	4/16/2024 8:16 PM
105	Increasing library access online and preserving/protecting open spaces	4/16/2024 7:52 PM
106	I feel some neighborhood parks are somewhat ignored. Excessive weed growth is not dealt with as well as pine needles not raked that rob the grass of oxygen and moisture. I'm referring to Terrace Park and the park north of the turnpike.	4/16/2024 2:51 PM
107	Consider needs of seniors when redesigning existing spaces. The library would be an excellent place to start lifelong learning classes for adults like OLLI (Osher Lifelong Learning Institute) is doing.	4/16/2024 10:36 AM
108	Concerns include: use of bathrooms and locker rooms by both sexes (eliminating "male" and "female" designations), use of facilities and open spaces by illegal immigrants and homeless people, and converting park land for high density housing	4/16/2024 8:30 AM
109	Libraries are too far away from my Countryside residence. I use Jefferson County Library. Overuse of dog parks is concerning. We are loving them to death.	4/16/2024 8:10 AM
110	Homeless camps	4/16/2024 6:51 AM
111	Overcrowding from all of the new multi-family apartment complexes being built.	4/15/2024 12:02 PM
112	Keeping the facilities respected & viewed as an asset - not taken for granted & abused	4/15/2024 7:27 AM
113	Reducing the size of the Westminster Dog Park. I'm not in favor of this.	4/14/2024 11:55 PM
114	I believe that the City needs to look at the Leash Laws in the City and Park areas. If you are in control of your animal, a leash should not be required. I also do not agree with having to microchip all your pets, unless the City is offering that to residents as a free service on an annual basis. Something similar to Boulder's laws could work.	4/14/2024 8:18 PM
115	I would like to see more weight equipment at West View and more than one spin bike.	4/14/2024 3:58 PM
116	I would love to keep building on the bicycle infrastructure so that there are safe ways to get where you're going. In particular, connecting bikeways with one another and building more safe, protected bike lanes on busier streets.	4/14/2024 11:09 AM
117	They MUST come up with a Tv policy. Fox News is a Russian propaganda machine and should not be viewed in public spaces. Please come up with a policy.	4/14/2024 9:03 AM
118	Overuse of facilities will make them less desirable.	4/13/2024 8:49 PM
119	Budgeting which prevents them from being kept and available.	4/13/2024 8:07 PM
120	Low pay for a lot of work.	4/13/2024 7:09 PM
121	Maintenance of dog parks. Enforcement of pet waste pick up	4/13/2024 5:52 PM

Parks, Recreation & Libraries Vision Plan - Online Questionnaire #2

122	Lack of bathrooms in parks. Lots of little children who can't go long without using a bathroom. Also drinking fountains for people and dogs. The homeless people sleeping in the bike tunnels.	4/13/2024 3:44 PM
123	Wanting to continue to prioritize open spaces/recreational spaces and not having over-development. Continue to expand inclusive books (in terms of subject matter, authors and language) at the library	4/13/2024 1:02 PM
124	Maintaining the open spaces and ecology.	4/13/2024 10:01 AM
125	The city is losing it ratio of parks to residents— getting lower and lower as the city builds on every square foot of land. Need to invoke the charter of 12 acres per 1000 residents and STOP taking cash in lieu. It is just a kickback to the developers and harmful to the health and well being of residents.	4/13/2024 7:20 AM
126	Increase in homeless encampments in areas along bike/walk trails	4/13/2024 7:18 AM
127	We need these to continue to be strong community anchors as well as catalysts for civic development.	4/12/2024 7:57 PM
128	Libraries definitely must be supported. Access to allowed. And no banned books. Add social services support so librarians aren't required to attend to mental health homelessness issues. Libraries should continue to be a safe place for all	4/12/2024 5:37 PM
129	I hardly go to the physical library since I take most books out as ebooks, but some recent books were only available in print so it's nice to be able to get them at the library. I also joined a Spanish club from the library and that was a nice connection made through the library.	4/12/2024 4:57 PM
130	some trails (e.g., Little Dry Creek) are not well maintained and are dangerous Sometimes Westminster is so focused on serving @ that they lose programs (e.g., most decent pickleball players are at Hyland Hills now) As big as Westminster is, the aquatics program is kind of abysmal (no lane lines at City Park, tried to start a Masters program but started it too late in the day for most people to be able to make it to work, etc.)	4/12/2024 3:56 PM
131	Continuing to build new facilities to meet the communities recreational needs such as a new dedicated indoor facility for tennis/pickleball.	4/12/2024 2:13 PM
132	Converting tennis courts into pickle ball courts and having more options/classes for activities in the evenings or weekends. Most of the good classes are in the mornings during work hours.	4/12/2024 12:36 PM
133	I wish we could build more parks or swimming areas for the kids. I am devastated that the big chunk of land on 84th will be turning into buildings.	4/12/2024 11:28 AM
134	safety	4/12/2024 10:59 AM
135	Landscape maintenance in parks. Mess around Ketner Lake.	4/12/2024 10:51 AM
136	Keep the libraries first rate. Periodic, proactive maintenance of the rec/fitness center is absolutely necessary. The City has neglected to maintain most of the Open Spaces in the city -- there are dead trees (posing a danger of falling), little work is visible on reducing the encroaching noxious weeds in every piece of city-owned property, and is worse every year	4/12/2024 10:38 AM
137	will need to expand offerings as population grows. Especially open space and trails need to be planned and built early for growth	4/12/2024 10:29 AM
138	Water conservation and population growth.	4/12/2024 10:02 AM
139	Dog park revisions will limit access to and amount of off leash walking.	4/12/2024 9:45 AM
140	More pickleball courts that have the nets installed instead of having to rent them and set them up.	4/12/2024 9:06 AM
141	Maintain the City Park Fitness Center equipment, keep existing fitness classes.	4/12/2024 8:17 AM

Westminster		
146	So much of our open space that isn't officially 'open space', is being developed. Half the time it's to make office space that sits empty for lease. There are so many existing buildings sitting empty, so I don't see where there is any demand. I hate seeing any trace of undeveloped being built. There's hardly any left.	4/12/2024 5:21 AM
147	A challenge, it seems to me, is to keep classes interesting to a wide range of people; particularly in Silver Sneakers classes when people start developing limitations.	4/11/2024 11:44 PM
148	The possibility of losing the off-leash status if the Westminster Hills dog park is of utmost concern	4/11/2024 10:54 PM
149	Lack of a rec center in Far North Westminster.	4/11/2024 9:41 PM
150	Library staffing (adequate funding. Livable wage)	4/11/2024 8:31 PM
151	If there is open space that is near transit, strong consideration for trading that land for other open space land should be considered to ensure that housing can be built around transit. For example, in Broomfield the Flatirons Station is next to Open Space, which should be considered for higher density development in the immediate area around the station. I'm not sure if there are examples in Westminster, but should be considered if there are.	4/11/2024 8:18 PM
152	Nothing is concerning, things are going well.	4/11/2024 7:34 PM
153	Abuse of open space, parks and libraries by those who do not contribute to tax base	4/11/2024 7:27 PM
154	All the apartment building and lack of development of the old Westminster mall.	4/11/2024 7:02 PM
155	Capacity of indoor swimming pool.	4/11/2024 6:37 PM
156	I worry about the number of people using the parks and the Cities ability to keep up with the wear and tear on them. The same with the libraries. College Hill library seems a bit out of date and not invested in the community. The One Book Westminster was not very well done this year and the library employees did not seem to be very aware of it.	4/11/2024 6:02 PM
157	We could always enjoy more parks. It would be nice to find more walking/bike trails winding through our neighborhoods with some quiet places to enjoy our beautiful (for the most part) Front Range scenery and weather. I have enjoyed reading rooms in some Libraries....something cozy and inviting.	4/11/2024 5:10 PM
158	The homeless population in Irving Park at the library. It is a high risk area for theft and assault	4/11/2024 4:46 PM
159	There is a lot of trash floating around in the open spaces, and on the sidewalks. Is there any way to offer more trash cans on the streets?	4/11/2024 3:38 PM
160	How do we keep our parks safe and clean, while still offering public restrooms and other facilities that can be accessed by everyone--including the homeless? Our homeless residents are still residents and deserve humane treatment and access to public facilities.	4/11/2024 3:30 PM
161	When working on the City Park Pond and the Big Dry Creek Trail, Westminster recently CUT DOWN approximately 2 dozen 150 year old trees, that cannot be replaced with samplings. What the heck is wrong with you?	4/11/2024 3:18 PM
162	Hopefully the remodel will include safety handles in the men's locker room, and improved showers. More book titles from politically conservative authors, please!	4/11/2024 1:26 PM
163	Love the library	4/11/2024 1:07 PM
164	Libraries need to function as a safe space to support and assist the unhoused, ESL learners, and other underserved populations while also maintaining their family friendly, joyful, educational, enriching space. This is HARD - but with support, doable! The need for Westminster to become more water-wise in their landscaping while maintaining big, green, lush grass areas for people to gather, kids to play sports, etc. THIS IS HARD - but important.	4/11/2024 1:05 PM
165	The fact they are thinking of reducing or eliminating the Westminster Hills Off-Leash dog park. I bought my house here 20+ years ago to live next to this off leash dog park. Yes, I call it a Dog park because the signs used to read that until they were recently changed. Also, I think it is a waste of city money to change perfectly good signs to fit an agenda.	4/11/2024 1:00 PM
166	We were told that Squire's Park would be renovated and that it would begin Summer 2023, but	4/11/2024 12:58 PM

## Parks, Recreation & Libraries Vision Plan - Online Questionnaire #2

nothing has even begun to happen and it is closer to summer 2024 now and we have not been told why. I would mostly like to see PRL stick to their plans and update the community better if changes occur.

167	There are getting to be a lot of coyotes out there. They don't keep me away during the day, but I don't walk the trails at dusk because they are out and about. Sometimes the maintenance crews drive on wet areas of trails or in the running lanes where it is paved. This makes a mess that takes a lot of time before it smooths out again.	4/11/2024 12:45 PM
168	no concerns	4/11/2024 12:29 PM
169	Improve the soccer fields at West View Park. Filling in the holes, leveling the field and new grass would be a welcome improvement.	4/11/2024 12:27 PM
170	I want more safe and equitable trails and walkways.	4/11/2024 12:22 PM
171	Don't know	4/11/2024 11:17 AM
172	Open space needs to be restored to native habitat and invasive species need to be mitigated as much a possible.	4/11/2024 10:54 AM
173	More policeman/woman More support for fireman	4/11/2024 10:52 AM
174	The library had their hours cut years ago in an economic downturn. Those hours have never come back. I would love to see the library have AM hours on the weekends in particular. There is no covered pool in the northwest part of Westminster. Please add one to the Westview rec. center	4/11/2024 10:51 AM
175	There is a need for more water aerobics classes/lifeguards.	4/11/2024 10:50 AM
176	I'd like to see more conversion to native/appropriate trees and vegetation. Not only is it beautiful, but it's sustainable and can help ward off urban warming.	4/11/2024 10:33 AM
177	More access to the softball fields for unorganized play. So teams can practice. So families can get together.	4/11/2024 10:23 AM
178	keeping them open. limited hours on pools is a bummer.	4/11/2024 9:19 AM
179	Although the rec centers, parks and libraries seem fine now, they need upgrades (bathrooms in the fitness center are old, parks can be better connected allowing for longer walks).	4/11/2024 9:18 AM
180	upkeep of parks, young child programs (1-2 years old)	4/11/2024 9:15 AM
181	We need more parks and open spaces - we should also have more off leash dog parks - dog owners should be held accountable for not picking up poop and bad dog behavior.	4/11/2024 9:14 AM
182	The trend toward censoring what books libraries can carry is concerning. Would like to preserve the open space areas that are being developed more and more	4/11/2024 9:07 AM
183	Accessibility	4/11/2024 9:02 AM
184	Over development	4/11/2024 9:00 AM
185	Transparency. Keeping things affordable.	4/11/2024 9:00 AM
186	Need more pickleball courts...outside how about some north of the fitness center?	4/11/2024 8:51 AM
187	Instructors for rec center classes seem to be getting short staffed. They do a great job and are over-scheduled and over-worked.	4/11/2024 8:49 AM
188	I hope that going forward, diversity actually embodies that. It's great that we have many Hispanic activities, however, Hispanic includes people from Spain, Central and South America and the Caribbean, as well as Mexico. I don't see these groups represented in book clubs or activities. Also, homeless people in libraries, using restrooms, no security.	4/11/2024 8:45 AM
189	The cost of living and taxes	4/11/2024 8:34 AM
190	I am concerned about the expansion of motorized boats on Standley Lake as they detract from the natural experience and bird watching opportunities. In addition, even small motors can harbor harmful invasive species, such as zebra mussels that could harm our very fragile water system.	4/11/2024 8:30 AM

## Parks, Recreation & Libraries Vision Plan - Online Questionnaire #2

191	Keeping the existing programs strong and sustainable. Not taking away programs or parks, like the threat of shrinking the dog park...	4/11/2024 8:22 AM
192	I am concerned that some of the parks are not being taken care of. Oakhurst Park isn't taken care like it used to. The grass has large patches of weeds in it.	4/11/2024 8:17 AM
193	Safety . Unhoused People using facilities to bathe , relieve themselves , sleep and live in . Locker security . Ability to leave items unattended. ( e.g. swim , workout or picnic items , ) . Feeling children won't encounter hostile individuals .	4/11/2024 8:08 AM
194	The current process for water spray at Standley lake should be improved. To reduce water use and lessen the frustration of folks who only take their water craft to SL, they should be given a different tag so they can skip the spray. Or offer onsite lockable storage for a fee to remove the need for transport spray all together.	4/11/2024 7:57 AM
195	Safety. Even though parks close at sunset, loud groups gather in park parking lots at all hours of the night, leave trash including broken bottles, and engage in reckless, loud driving. Westy police understaffed, busy. What can the city do to improve lighting, enforcement of park closures? Just in the last few years, in just the parking lots adjacent to Carroll Butts, we have had shots fired on multiple occasions and residents have cleaned up spent bullet casings and live ammo from the lots where children walk the next mornings. At least every weekend, loud music and shouting from the lots awaken and frighten residents. Thank you.	4/11/2024 7:55 AM
196	Need more outdoor pools	4/11/2024 7:35 AM
197	Too few tennis courts	4/11/2024 7:35 AM
198	Maintenance and safety. That probably applies more to parks. People, the public cares less about taking care of someone else property and kindness towards others is hard to find.	4/11/2024 7:34 AM
199	Upgrading facilities.	4/11/2024 7:26 AM
200	The dam valve leak at Ketner Lake. I would like to see that project finished up. Also transient camping has increased as far as I can tell, keeping an eye on that would be beneficial to the community.	4/11/2024 7:16 AM
201	reach out to see what other cities are doing to reach optimum use and needs for there communities. We are not a small city to look past what the growth will need in the future.	4/11/2024 7:00 AM
202	Need more parks and open space!	4/11/2024 6:14 AM
203	Open space being rezoned for apartments	4/11/2024 6:04 AM
204	Rising fees. More resources at library. Destruction of land for ridiculous multi-story housing.	4/11/2024 5:38 AM
205	Population growth effecting spiraling and creating too many people trying to use limited electronic devices	4/11/2024 4:24 AM
206	Everything seems focused on city park	4/11/2024 3:26 AM
207	Playgrounds need to be redone or updated, more parks with bathroom facilities, another outdoor splash park, add a playground back to Westminster library!	4/11/2024 12:26 AM
208	The future of parks and recreation and the Equity and Access also the Technological Integration	4/10/2024 11:21 PM
209	The usefulness of our parks and libraries to alien children from other galaxies.	4/10/2024 11:13 PM
210	YOU DONT DO MUCH FGOR TENNIS GROUPS.	4/10/2024 11:01 PM
211	Mowing of weeds on public property along the farmers high line canal path and next to the homeowners property fences. As far as the libraries better selections of ebooks with a more friendly access app.	4/10/2024 10:33 PM
212	Nothing comes to mind.	4/10/2024 9:53 PM
213	north part of Westminster (136th x Huron) is left on it's own - without too much access to parks, recreation, and libraries programs due to lack of the facilities nearby.	4/10/2024 9:43 PM
214	I wish there were more pools available so that there was more time for lap swim and free swim. I like that one of the boulder recs has a big gymnastics space where kids can explore and also offers classes - it would be so terrific if Westminster had that. Also there's a big climbing wall	4/10/2024 9:37 PM

## Parks, Recreation & Libraries Vision Plan - Online Questionnaire #2

in one of the Erie rec centers I believe and that would also be a terrific option to have at a Westminster rec (that or a climbing wall treadmill)

215	Closing the dog park	4/10/2024 9:35 PM
216	Maintaining the access to green spaces residents have as population grows	4/10/2024 9:32 PM
217	Some classes fill up fast like pottery and swimming outside of the M-F 9-5. Would be nice to have more of these available outside of typical work hours, or even Fridays.	4/10/2024 9:20 PM
218	Keeping the parks clean and safe	4/10/2024 9:19 PM
219	Safety, Maintenance and green fees	4/10/2024 9:17 PM
220	Aquatic facilities on the west side of the city that are accessible all year would be what I'd like to see built or expanded.	4/10/2024 8:58 PM
221	keeping open space in westminster	4/10/2024 8:58 PM
222	Safety of libraries from drug abusers. Violence at any facility Not enough swimming pools inside and outside	4/10/2024 8:53 PM
223	Every neighborhood deserves a safe, accessible and fun park. We need more places with shade and meeting spaces.	4/10/2024 8:43 PM
224	Need people to teach water aerobics classes in evenings again.	4/10/2024 8:36 PM
225	Lack of funding for bike trails and other recreational amenities.	4/10/2024 8:31 PM
226	I'd love to see more dog parks!	4/10/2024 8:30 PM
227	The mismanagement and proposed changes for the Westminster Hills Open Space Park. Do not take away the large leashless area.	4/10/2024 8:22 PM
228	Same as above and I would enjoy going on more of the group traveling trips if they were not so expensive.	4/10/2024 8:21 PM
229	Just that all facilities can serve our diverse population and create a welcoming atmosphere.	4/10/2024 8:15 PM
230	Planning for the future. We are growing in population so I would love to see continued effort to grow parks, open spaces, and varying outdoor areas in advance of needing them.	4/10/2024 7:59 PM
231	Vastly insufficient offerings of classes for children, especially compared with Broomfield.	4/10/2024 7:51 PM
232	Parks and facilities need to be kept in good repair and updated when possible.	4/10/2024 7:49 PM
233	Not enough information about what is being offered - services limited for those of us on the west side of the city	4/10/2024 7:47 PM
234	Doing a good job at improving the MAC and the swim center.	4/10/2024 7:33 PM
235	Keep offering an abundance of parks for enjoyment for people of all ages.	4/10/2024 7:16 PM
236	Closing things down. For example during Covid they closed the rec centers. But even Boulder and Louisville stayed open. They have already closed down half the dog park and know they want to take more for bikes. They already put in bike trails in the part plus extended 100th for bikes.	4/10/2024 7:14 PM
237	I don't think there are enough parks, recreational spaces, and libraires in our community. We are growing and should provide more services so that more of us can enjoy these spaces.	4/10/2024 7:14 PM
238	Getting rid of the wood chips at play areas in parks. It would also be nice to look at covering the play areas in the summer to keep them cooler. It would also be nice to have more programming for parents and baby's under 2.	4/10/2024 7:01 PM
239	Security of public spaces, parking lots, and trails.	4/10/2024 6:52 PM
240	The number of people in exercise classes remains high throughout the year leading to crowded spaces.	4/10/2024 6:50 PM
241	What appears to be the over the construction of buildings when there are so many open buildings. I do not want buildings to take over the community parks, libraries, etc.	4/10/2024 6:49 PM

Parks, Recreation & Libraries Vision Plan - Online Questionnaire #2

242	Can we insure the funding needed to keep up our parks, golf courses, library and recreation buildings without needing to charge so much that we leave behind those less fortunate citizens for whom rising costs would be a burden?	4/10/2024 6:40 PM
243	The possibility of the Westminster Hills Off Leash park changing :(	4/10/2024 6:33 PM
244	Safety in our parks and open spaces	4/10/2024 6:32 PM
245	I'm most concerned about safety and security. There are a lot of homeless individuals that seem to have issues with their mental states and a lot of individuals - both adults and young adults - who are angry and ready to fight at all times. It's unnerving and doesn't make me feel comfortable sending my kids out to play by themselves.	4/10/2024 6:32 PM
246	The ongoing disruption/construction on Big Dry Creek trail	4/10/2024 6:21 PM
247	I worry about libraries and rec centers closing because of decreasing financial support or budgets.	4/10/2024 6:10 PM
248	see above	4/10/2024 6:07 PM
249	We need to keep them safe and comfortable.	4/10/2024 6:00 PM
250	The loss of Westminster disc golf course	4/10/2024 5:58 PM
251	Keeping them clean and safe for children to use and play in	4/10/2024 5:51 PM
252	Closing or restricting the current off leash dog park due to a few people who are against it. Finding a solution to keep it open and address the concerns is paramount in my opinion.	4/10/2024 5:35 PM
253	Expand the trails, up grade play ground equipment, and clean out the drainage areas.	4/10/2024 5:33 PM
254	My library habits have changed, and I now check out many more e-books than physical books. But I hope that the library can continue as a physical location and continue to provide physical books so that people don't get left behind.	4/10/2024 5:33 PM
255	Safety and vandalism at the parks and on the trails is a concern. Bikers and pedestrians need to respect one another. I've witnessed shouting at one another and near misses as pedestrians leisurely walk and bikers zoom by without warning. Ebikes and their speed are only exasperating the problem. Also, bring disc golf back to City Park. It's a healthy, safe sport for young people. I'm surprised that the city chose to remove them.	4/10/2024 5:21 PM
256	I know Westview Rec Center is a smaller facility and may have smaller attendance but I really love going over there. I guess I would be concerned if \$\$ was tight a place like that could close.	4/10/2024 5:15 PM
257	An outdoor waterpark Would be amazing and batting cages	4/10/2024 5:12 PM
258	Implemenation of the GEI in daily life.	4/10/2024 5:11 PM
259	We need more bike lanes throughout the city. Also a cement biking path around Standley Lake would be awesome! Us 36 bikeway to Denver seems to go nowhere or else signage is not good.	4/10/2024 5:02 PM
260	Westminster has lots of big, fast, roads. Pedestrians and bikers need underpasses. Encroachment by multi-family housing is of concern.	4/10/2024 5:00 PM
261	The proposal to close/restrict WHOS dog park is the most concerning issue I am aware of.	4/10/2024 4:58 PM
262	There is a need for more water aerobics time slots at City Park. Preferably late morning or afternoon times.	4/10/2024 4:50 PM
263	I worried the libraries won't have enough support, along with the rec centers.	4/10/2024 4:48 PM
264	staying competitive with price offerings. gym memberships for example are much more expensive than gyms outside of Westy PRL. Open swimming at City Park might need to go to time limit based with the increased wait times/waitlist, use of wrist bands monitor time limits.	4/10/2024 4:39 PM
265	I would like to see the ability to park on the south shore of Standley and launch windsurfing and standup paddle boards from the south shore (ideally between Simms St. and Kipling St.	4/10/2024 4:39 PM
266	Reducing the off leash dog park on Sims	4/10/2024 4:38 PM

## Parks, Recreation & Libraries Vision Plan - Online Questionnaire #2

267	Security. Nowadays, there's petty theft & crime when large crowds & gatherings congregate. Need to cut back in times of recession.	4/10/2024 4:36 PM
268	That a car is needed to access most facilities. This makes it difficult for minors, elderly, etc to access facilities without aid.	4/10/2024 4:36 PM
269	More toddler and baby story times, more creative things for toddlers, more integrated parks for bigs and littles and more shaded eating areas.	4/10/2024 4:35 PM
270	More paved paths, expensive to install but much less to maintain..	4/10/2024 4:33 PM
271	The never ending constructing	4/10/2024 4:28 PM
272	Keeping the operational level the same	4/10/2024 4:28 PM
273	I don't use the libraries so I have no idea. Future rec center - keep having the classes. Maybe adjust the times so people that work can go to a class. EVERYTHING is gear toward seniors! Very frustration when there a class you would like to take - just to find out it at 2:00 in the afternoon on a Thursday - Does not work for working folks.	4/10/2024 4:25 PM
274	What Westminster could do better is allow a shared lane for lap swimming all day. It is very hard to find a time to lap swim in Westminster. The pools are often set aside for only recreational swimming or swimming lessons. This is the only place I've lived where there are no shared lap lanes available.	4/10/2024 4:25 PM
275	Westminster deciding to cut down or close Westminster Hills Dog Park. Bad idea	4/10/2024 4:22 PM
276	The impacts of people & dogs on the space. The Westminster dog park / open area has seen a lot of trail widening and degradation of the natural areas - this is probably the most notable example over the past few years. I think it's also important to continue to improve the safety around pedestrian access areas (e.g. when crossing 100th to get to the Standley Lake trails, drivers don't always respect the crosswalks or notice pedestrians).	4/10/2024 4:22 PM
277	Maintaining green space for parks and providing linkages (walking, biking) between facilities. There is such a nice variety of classes at the rec centers but I worry that programming will be cut. I do think we need to have a flexible approach to outdoor space - good to see skate parties etc. as it speaks to needs of different generations. Would love to see spring/summer outdoor fitness programming.	4/10/2024 4:19 PM
278	I would hate to see them vandalized or overrun with tents or something. It would be great for more adult / young professional targeted groups. Lots of transplants here and it's tough to meet people organically. I think Westminster could take advantage of that as a great hub between Boulder/Denver!	4/10/2024 4:17 PM
279	The fact the people in power are pretending that the pandemic is over limits who can access city services. We need more virtual activities, more outdoor activities, and we need more activities directed toward ordinary people. Upper class white people are not inherently the norm.	4/10/2024 4:15 PM
280	I would say the parks near old town/historic Westminster, and south of 88th are under developed. They do not receive the same level of care and maintenance. EX: Bishop Square Park, Torii square park, Westminster Hills Park, Historic/Olde Town Westminster - these are remarkably smaller, older, have less features, and are less maintained. It would be great to renew efforts to get the community to use these parks. The Irving Street Library is a nice little library, but I feel it is overwhelmed with various other community demands in an area that lacks good public resources.	4/10/2024 4:07 PM
281	The enormous amount of multi-family properties being built in the city without enough green space. Parks will be over-run and will likely suffer abuse from the sheer volume of people. Also, continue to work on keeping the parks free of unhoused people at night.	4/10/2024 4:07 PM
282	The loss of Lower Church Lake. There are a few challenges to restoring the channel and the low dam, but these are not that difficult. This was a high quality wetland with multiple species depending on it until the city decided to destroy the dam. The dam was not jurisdictional, as it was less than 5 feet high, and was never a danger to anyone downstream. The loss of this high quality wetland is so sad, and it warrants restoration. The city could even use it as a wetland bank which would bring in funds, and could be used for banking credits for future developments.	4/10/2024 4:05 PM

Parks, Recreation & Libraries Vision Plan - Online Questionnaire #2

283	I know all major cities struggle with the un-housed. The un-housed need somewhere to go and often I see them in the parks.	4/10/2024 4:04 PM
284	WE ARE CONCERNED THAT THE OPEN SPACES WILL BE TAKEN AWAY OR LIMITED BECAUSE OF GROWTH. THE CITY NEEDS TO CONTINUE TO FINANCIALLY SUPPORT PARKS, RECREATION, AND LIBRARIES.	4/10/2024 4:02 PM
285	The aquatics system could be expanded, as a resident I would love for my child to be able to get swimming lessons but spaces are few and far between and getting signed up on the system is a hassle.	4/10/2024 3:58 PM
286	A lot of nice parks in our city, unfortunately they always seem to be under renovations and can't be rented. Such as Squires Park unable to rent 2 summers in a row. SAD.	4/10/2024 3:41 PM
287	The parks and facilities are getting old and need a lot more trees and refreshing.	4/10/2024 3:36 PM
288	reduction in facilities, services or operating hours	4/10/2024 3:35 PM
289	The pickleball courts at Countryside need maintenance.	4/10/2024 3:35 PM
290	Homeless people using facilities for shelter.	4/10/2024 3:34 PM
291	None	4/10/2024 3:34 PM
292	More consideration for dogs and owners!! Keep Westminster Hills for off leash dogs and make it better such as gravel to keep mud manageable, more waste receptacles, benches, parking management.	4/10/2024 3:28 PM
293	There is limited land available within the city limits for future parks and recreation sites, and given the marked increase in high-density housing and the extensive development of the Pillar of Fire land I am worried about crowding and overuse of current facilities. There are minimal arts and cultural sites nearby.	4/10/2024 3:27 PM
294	Disappearing open space!!!!!!	4/10/2024 3:26 PM
295	Library hours!! Can we have more of them? Making volunteering easier at the libraries. It's been awhile since I tried though so that might be a moot point.	4/10/2024 3:26 PM
296	Trails - I tend to stay off for some time even as snow is cleared. Many times there are ice patches by underpasses and shady areas. Rec centers - open up either more space or provide additional classes for TRX and Kettlebell - many times full 45 minutes before class begins. Library - if possible, extend weekend hours.	4/10/2024 3:21 PM
297	Continuing to maintain current assets while adding new ones (ie don't sacrifice the vitality of existing play areas by building new ones).	4/10/2024 3:19 PM
298	Illegal and homeless squatters. Illegal drug use and drugs shutting down use of facilities for decontamination.	4/10/2024 3:18 PM
299	not keeping grounds clean. not paying attention to southeastern Westminster. or old town Westminster	4/10/2024 3:16 PM
300	Priority should be to protect the land - WHO is an example of the City not honoring open space. - Westminster libraries are not easily located - and why we use Standley Lake Library	4/10/2024 3:15 PM
301	Basketball court use for other sports	4/10/2024 3:13 PM
302	Overbuilding, residential and commercial at the expense of available land for parks.	4/10/2024 3:12 PM
303	Environmentalism, trash (I occasionally go around my neighborhood to pick up trash, but there's so much that for one person, I don't make it very far before my bag is full), homelessness	4/10/2024 3:12 PM
304	My biggest concern right now is keeping the dog park off leash to dogs and the same size as it is now. The fact that the parks and rec not Only proposed this change also was fairly secretive about it and didn't ask for any community involvement in that kind of a decision. I keep taking the surveys and it seems like not only is parks and rec not listening to them, but I have friends that go to all the city Council meetings and they have told me that the surveys have been Miss presented to the council. 70 to 80% of the people in the community have been saying they want the part to remain off leash and yet parks and rec is trying to ignore the wheel of the people and that makes me very angry.	4/10/2024 3:11 PM

## Parks, Recreation & Libraries Vision Plan - Online Questionnaire #2

305	The opening of the pickleball courts on 74th and Federal seem to be taking forever to build	4/10/2024 3:11 PM
306	I would love to see a small indoor facility available for us to rent for family events. Outdoor facilities are nice but not good for more special events. I have attended several family events at Arbor House at Maple Grove Park in Golden. I would love a similar facility in Westminster as CP event room too large.	4/10/2024 3:10 PM
307	Hope we don't hear stories like we have recently on the news about Denver not planting flowers in their parks etc. it is a pleasant attraction to residents and citizens.	4/10/2024 3:10 PM
308	Making improvements in high traffic areas that aren't fully developed.	4/10/2024 3:09 PM
309	I wish there were more affordable places to rent a room for a child's birthday. These days parents have to pay rental fees of \$200 to host a simple birthday for a young child. Can't the city enable its residents to use a room for \$50-100?	4/10/2024 3:07 PM
310	Growth and challenges with drugs in these areas. Water consumption.	4/10/2024 3:06 PM
311	Nothing comes to mind	4/10/2024 3:06 PM
312	Maintaining the current level of facilities.	4/10/2024 3:04 PM
313	I find fewer titles at the library that I'm interested in, in comparison to Denver, and Jefferson County.	4/10/2024 3:03 PM
314	Don't "fix" parks that do not need it. Ex: Carroll Butts park and leave dog park which is unique to westminster	4/10/2024 3:00 PM
315	Old play equipment and park amenities. Everything is quite dated and hasn't been updated for awhile. Also converting non functional turf areas to more sustainable options.	4/10/2024 2:59 PM
316	Introduction of political ideology into our library content or events.	4/10/2024 2:58 PM
317	Need more programs geared towards the demographic of 49-65— I feel it is all child oriented	4/10/2024 2:58 PM
318	Lack of trees, moss, life.	4/10/2024 2:57 PM
319	I don't want unsafe facilities where issues like drug use, trash, and threats to physical safety to prohibit the use and enjoyment of our facilities. Knowing that meth residue can greatly impact children at much lower levels than adults and trash attracts rodents carrying disease, and people who care not for societal norms and rules who may be unstable at these facilities concern me. I also don't want to see our open spaces repurposed and developed in the name of the "greater good" and lose our Westminster identity and values.	4/10/2024 2:56 PM
320	Park in green knolls neighborhood needs updating	4/10/2024 2:54 PM
321	Some of the playgrounds are dated and old/rusty. For the size of the Westminster city park, it would be nice to add basketball courts and more/larger playground equipment.	4/10/2024 2:51 PM
322	Off leash dog park off of both Simms and 100th. Please keep it exactly how it is. Add fences just outside of the pathways if you want to protect the plants/wildlife, but don't close off any of the current trails/areas from the off leash dogs....also please leave the recycling bins in front of the Westview Rec Center. No one wants a central location, we want them spread around the city for ease of access	4/10/2024 2:51 PM
323	Maintenance of current facilities and retaining open spaces	4/10/2024 2:51 PM
324	I'm most concerned about the rising cost of using the recreation center and rising cost of classes.	4/10/2024 2:46 PM
325	Keeping the dog park open and leash free. Would like to have additional parking as there is plenty of room for more people to enjoy the park. Also concerned about keeping neighborhood parks watered and maintained.	4/10/2024 2:45 PM
326	Limiting the off leash area of the dog park	4/10/2024 2:45 PM
327	Lack of updates in parks near our house (Orchard Park's area near the playground that appears to be a run down roller skating area), lack of sustainability efforts, lack of shade	4/10/2024 2:44 PM
328	Westminster Hills Dog Park overuse. People parking on the road, etc. The overuse needs to be addressed ASAP. I have almost been hit on my bike by people pulling out into the bike lane	4/10/2024 2:43 PM

several times. I prefer not to be injured or worse. Hopefully the parks dept feels my safety is worthwhile. IMO, the parking tickets aren't working (it's only a deterrent to people that can't afford the cost, rich people just park and pay the fine). Change the signs to a tow away zone and start towing these cars without warnings. Also allowing off leash dogs where bikes are allowed is a bad mix. All areas either needs to have dogs on leash, or no bikes. Example: The new path along W 100th, needs to be ON LEASH only. Well signed, and the rules enforced. I use this path to go to the grocery store on my bike and have had MANY close calls with off leash dogs. I don't want to hurt a dog, nor do I want to get hurt myself.

329	Prioritize designing spaces that are meant to be inviting and comfortable as opposed to utilizing hostile architecture in parks and public spaces.	4/10/2024 2:38 PM
330	Biggest concern is homeless in parks and on bike paths. That doesn't feel safe for anyone - including the unhoused person. Staying on top of options and strategies is big - as Denver moves people and shuts down camps we are a near neighbor.	4/10/2024 2:37 PM
331	Community not being involved in decision-making. this survey is the first I've seen after living in Westminster for over 30yrs	4/10/2024 2:35 PM
332	Loss of trees on Farmers Highline Canal trail near the Sports Center. Only trail I know with shade.	4/10/2024 2:33 PM
333	City council. They need to fund what they have and continue to maintain and not keep chasing "newer and better". Plans take entirely too long. I'm tired of my community looking like a ghetto.	4/10/2024 2:32 PM
334	Losing our parks/open space to suburban developments.	4/10/2024 2:31 PM
335	having a bathroom at outdoor parks is important. having 3 younger kids, if there is no bathroom we might not go to that park or only stay a little while.	4/10/2024 2:31 PM
336	safety and maintenance	4/10/2024 2:28 PM
337	Recreation classes in art and aquacize are not what they were. Other towns have better offerings now. Staff is shutting gates T standley lake well before dusk, limiting access to folks who enjoy watching sunsets. This is a significant community loss. Maintain existing open spaces and expand them. Thos is a big draw to westminster. Limit dog park space. Enforce leash laws on trails and poop pickup.	4/10/2024 2:28 PM
338	The price and the offering on children's activities. We moved our kids into the Apex rec system due to the wide range of classes and year round of availability. We pay more but we definitely get more. It seems like in the last 10 years Westminster has increased the adult offerings at the expense of kids. The facilities are also not always accepting and kind to children when they come in. The staff can be very rude to children when they haven't done anything wrong except they want to play and their parents dropped them off. I also hate the no fines rule at the library. We stopped checking out physical books due to being wrongly accused of ruining books. We made the mistake of documenting some issues with books we checked out and were then accused of causing the damage. We have no problem admitting and making good if we caused a problem, but this was systemic and unfounded. Also, prior to the pandemic the Dance program was literally run into the ground by Cindy. The program dwindled significantly in offerings and participation in the 5 years we participated.	4/10/2024 2:27 PM
339	Prioritizing the maintenance and sustainability of the parks/trails financially.	4/10/2024 2:27 PM
340	All the constant construction	4/10/2024 2:27 PM
341	Please keep the open space dog park	4/10/2024 2:26 PM
342	The lack of trained and skilled workers is a concern. What is the city doing to stay competitive and attractive to potential employees?	4/10/2024 2:26 PM
343	Cost of Upkeep and maintenance to maintain	4/10/2024 2:26 PM
344	Lack of services in NE part of the city Need to have more classes like knitting, Converational Spanish, glass fusing, etc.	4/10/2024 2:24 PM
345	Development taking over open spaces that currently exist.	4/10/2024 2:22 PM
346	The lack of parks in Shaw Hights and South of 92nd	4/10/2024 2:21 PM

347	Maintaining open space	4/10/2024 2:21 PM
348	The city/department's communication related to ongoing and planned improvements of public areas has been dismal at best. Thinking of City Park... describing the timeline and some info on the website and via QR codes on signs is no substitute for regular outreach neighborhoods. The department should follow the example of the project management team that oversaw the sewer line replacement.	4/10/2024 2:21 PM
349	Would be great if Westminster prioritizes expanding open space and can go on to create a large park in south Westminster similar to the park on 104th Ave.	4/10/2024 2:20 PM
350	Growth potentially taking away parks and open spaces.	4/10/2024 2:20 PM
351	I'm very concerned about Westminster Hills becoming an on leash dog park and /or limited in size. The people that use the park are responsible dog owners.	4/10/2024 2:20 PM
352	Need more pickleball courts!!!! Please! At Countryside, re-surface the lower 2 courts and paint pickleball lines on there. Please! We need more pickleball courts!!! Thank you	4/10/2024 2:20 PM
353	There needs to be a playground in the historic arts district area that families can walk to. Also, I'm concerned with the amount of homelessness, in particular around the Irving street library.	4/10/2024 2:20 PM
354	I wish the lanes were left up longer at the 105th St. pool	4/10/2024 2:19 PM
355	It works for me, but the locations of your five gym facilities are all really close together with large parts of Westminster not having gyms.	4/10/2024 2:18 PM
356	Too much unnecessary lawns and grass. I wish PRL would be a role model for appropriate plants for our region.	4/10/2024 2:18 PM
357	Lack of shade in parks and sidewalks, need more trees.	4/10/2024 2:17 PM
358	Water. Turf fields and infrastructure.	4/10/2024 2:16 PM
359	The bathroom being closed at Westminster station nature play park. Last year it was open all winter, this year you closed it. There needs to be bathrooms for people to use near all parks. Even in winter Also please fix the underpass on the bike path going under lowell right next to the Westminster station nature Park. Its been blocked off for quite some time. It's dangerous to have people crossing lowell instead of using a protected underpass. Someone is going to get hit by a car.	4/10/2024 2:15 PM
360	Too many people walking dogs without leashes	4/10/2024 2:15 PM
361	With the large growth in Westminster of population, I've noticed that places like City Park, rec center and pool are having a hard time handling the increase.	4/10/2024 2:14 PM
362	Some of the parks in lower income areas are regularly not maintained well. They are often full of trash (or other gross/dangerous items like used condoms, cigarettes, drugs..). The playground equipment is often rundown or broken. I know this isn't an easy fix but I would love to restore the lower income area parks. Maybe with the help of extra police patrols or extra maintenance rounds.	4/10/2024 2:10 PM
363	The constant loss of open space.	4/10/2024 2:09 PM
364	Leave the Westminster Hills Dog Park alone!	4/10/2024 2:05 PM
365	Would love to see free baby / toddler activities available in the evening / weekends for working parents. More activities for those under 3 Lighting in parks at night. Carol butts attracts activities at night since low lighting	4/10/2024 10:43 AM
366	A closure of the Westminster hills dog park is a major concern. Do not limit off leash dogs.	4/9/2024 5:11 PM
367	I'm concerned about cuts to library funding, as well as censorship and other unwanted community interference.	4/9/2024 3:44 PM
368	I am not trusting of PRL, I fear that the WH Open Space will disappear because of this Zoning Amendments from Nov,27,2023: Title XI. - LAND DEVELOPMENT AND GROWTH PROCEDURES, Chapter 4 -ZONING, 11-4-3- (4) Alternative Site Analysis.(a)At the pre-application meeting, the operator shall identify three proposed locations for the oil and gas facility. 369	Building and connecting paved paths for pedestrians and bikers. Help more people get around the suburbs without cars and get exercise! Provide more places throughout the city for dogs to be off leash in fully fenced environments.	4/6/2024 3:15 PM
370	The impact of parks on the environment, others' suggestions for libraries.	4/5/2024 7:36 PM

372	Libraries need more books	4/5/2024 1:08 PM
373	I like close to Faversham Park and it's so underutilized. I'd love to see more community events here. Perhaps some native landscaping. 1	Yes, under the current city master plan, there are still parks that need to be built so there is more of an equitable parks systems for all neighborhoods. Don't put so much money into the main part at the Downtown Apartment development.	5/5/2024 5:33 PM
2	Parks need to have more trees and shaded resting areas Not everyone can do sports	5/5/2024 10:18 AM
3	We lack a city tennis program in the area and have no public access to indoor courts. As a result, I drive 30 - 50 minutes to other cities south of Westminster to utilize other facilities & programs. This is a missed opportunity for our community, both in revenue and building a positive tennis culture.	5/4/2024 9:51 AM

55	A tennis center needs to be added. With pickleball growing, many tennis courts are being used by pickleball players and leaving the tennis players unable to play.	4/26/2024 10:47 AM
56	Westi could really use a proper tennis facility. Neighboring communities have these and they get a ton of use, and a ton of spending as a result. Something like Apex Arvada, with ~6 indoor and 6-10 outdoor courts. Longmont has a good facility at their rec center, with free outdoor courts and lighting for night play.	4/26/2024 10:41 AM

117	Negligence of south and central Westminster—south of 92nd. Here is the highest number of lower income residents, highest number of people of color, and lowest number of parks and open space! The few parks that do exist are run down and trashy. Minimal landscaping. Negligent trash pickup. Kids play equipment is old and rundown. Not nice places to go.	4/13/2024 7:20 AM

119	I'm no certain at this time.	4/12/2024 7:57 PM
120	Yes, I am a tennis player and there is very little access to tennis courts in Westminster. I have to go to Broomfield, Thornton, or Arvada to play in USTA tennis leagues or at nice tennis facilities. South East corner of 112th and Sheridan could be a great place for a tennis/pickleball facility (just a thought).	4/12/2024 7:51 PM
121	At City Park _ no indoor track, but I can get that from WestView Rec so not a big deal. I like the. Aridity of classes, personal trainers,Pilates, Zumba and Silver Sneaker classes offered. 123	Arvada built a new dedicated indoor tennis facility (Apex Tennis Center) a few years ago that has been very successful, both financially and from a users perspective. 152	Yes, listening to the citizens input and communication with citizens. There are plenty of other ways for people in this city to exercise and this Off-Leash Dog park is the one place where people can exercise with their dogs off leash. Dog owners are under serve population. We don't complain about paying for places for kids to play even when we don't have human children there needs to be a place for people to exercise with their dogs.	4/11/2024 1:00 PM
153	I would like to see more trails and creeks connected, trees planted, and community gardens begun. I would also like to see workout equipment placed in the parks so the community (specifically the elderly) can exercise outside. We need to have more pedestrian bridges so we feel better connected outdoors and linking those to trails/open spaces/shopping areas would be the cherry on top.	4/11/2024 12:58 PM
154	More Pickleball Courts	4/11/2024 12:29 PM

186	Book resources at libraries are lacking. Recreation fees getting out of touch for seniors on fixed incomes.	4/11/2024 5:38 AM
187	There is a gap for kindergarteners. Winter Break and Spring Break camps don't serve kindergarteners. Where are those kids supposed to go? All other programs in the area get licensed for school aged to serve 5 year olds and kindergartners - why not Westminster? And programs that serve up to 6 year olds, but are only offered during the school day - don't actually serve kids in that age group. The library does a great job of serving 5-8, but rec does not.	4/11/2024 5:37 AM

The west view rec needs a pool for laps and swim teams, with businesses and neighborhoods expanding it's a missing service here. 220	More spaces and programs/activity for little kids under 2 years old. A soft play space and more baby type toys at the rec center or library would be great. Programs for babies that help parents meet and socialize the babies.	4/10/2024 7:01 PM

231	Separation of pedestrians and bikers on parts of trails that have heavy use, like the Dry Creek Trail between City Park and the Sheridan underpass. As our population is aging and choosing to walk is great exercise, we do not feel safe when multiple bikes whizz past at fast speeds. It's not enjoyable, either.	4/10/2024 5:21 PM

However, if you actually want me to care about or even notice something, you need to tell me in Spanish. (I tried to write this in Spanish and my autocorrect changed every word.) Parks, Recreation & Libraries Vision Plan - Online Questionnaire #2

250	I would say a consistent even approach to all parts of Westminster. With newer projects kicking off, it would be great to see a focus in renewal in older/historic areas. There are plenty of options in the northern parts of Westminster but a consistent lack of focus on improving existing services or offering new services in older/historic Westminster.	4/10/2024 4:07 PM
251	Unsure	4/10/2024 4:07 PM
252	Yes. Maintenance of small parks and detention ponds.	4/10/2024 4:05 PM
253	I don't often see swings at playground areas in the parks I frequent. Also might be nice to have outdoor gym at some of the parks similar to the one at Clear Creek Valley Park in Arvada.	4/10/2024 4:04 PM
254	PROGRAMS NEED TO BE MARKETED MORE. WE GET EMAILS WHICH ARE GOOD. MAYBE PUT SOME WESTMINSTER NEWS IN LOCAL NEWSPAPERS OR FLYERS AT THE REC CENTER. SOMETIMES WE HEAR OF THINGS TOO LATE.	4/10/2024 4:02 PM

262	Na	4/10/2024 3:26 PM
263	I'd like to see an indoor walking track at the Rec Center because sometimes the weather doesn't permit outside walking and treadmill are tedious. More programs for middle aged adults in that gap between early career/homemaking and silver sneakers.	4/10/2024 3:26 PM

268	Nothing Missing	4/10/2024 3:13 PM
269	Not to my limited knowledge.	4/10/2024 3:12 PM
270	It'd be cool if the rental objects from the library could be expanded to include more things (tools, sewing machine, etc.) but that might be difficult with people taking care of the items from such a resource	4/10/2024 3:12 PM
271	I can't speak to the libraries since I don't use them, but the majority of the recreation areas I have to be above average	4/10/2024 3:11 PM

279	We don't have a lot of inclusive playgrounds around, we are missing water fountains / bottle fill stations, we lack dog parks and activities in the parks. Like movie at the park ect	4/10/2024 2:59 PM
280	Would be nice to have a paved path around Ketner Lake.	4/10/2024 2:58 PM

284	I love all the activities offered.	4/10/2024 2:56 PM
285	Would like half day summer camp options	4/10/2024 2:54 PM
286	Expand kids' sports options (flag football, basketball for the 6 and under crowd, more openings for swim lessons because they reach capacity so quickly). I would also love to be able to rent a kayak at Stanley lake or even some of the smaller ponds in the city.	4/10/2024 2:51 PM
287	Could use obstical courses in the off leash dog park. off of both Simms and 100th. Please keep it exactly how it is.	4/10/2024 2:51 PM
288	No	4/10/2024 2:45 PM
289	N/A	4/10/2024 2:44 PM
290	More disc golf! It is VERY popular. Most courses are very busy 7 days a week when it's nice out. It's popular and inexpensive to set up. I play almost exclusively in Arvada and Broomfield though. Would love to have the option to play in my own town more.	4/10/2024 2:43 PM
291	Aging population has different needs - so possibly addressing some of these with options for remote programming... fitness classes that are broadcast to seniors, book clubs on zoom or other platform with ebook check out... broadcast concerts etc	4/10/2024 2:37 PM
292	Not that I can think of.	4/10/2024 2:33 PM
293	Big problem is our parks lack reasons to go there unless you are renting a pavilion for an event. They seem off putting. In my area, they are congregational spots for homeless and drug dealings/users with little movement towards moving people towards safer areas and housing.	4/10/2024 2:32 PM
294	Possibly not parks related, but I would like better bike lanes/multiuse paths across the city in all directions	4/10/2024 2:31 PM
295	Paul Derta in Broomfield has a really cool kids indoor play area thats free for kids under 4 or 5. We go thee a lot and it would be great if westminster had somethign similar.	4/10/2024 2:31 PM
296	safety and maintenance	4/10/2024 2:28 PM
297	Moderate to advanced watercolor Classes. More drawing classes. Evening aqua exercise classes	4/10/2024 2:28 PM
298	Places for kids. Pickle ball has essentially pushed out so many other activities. They people who play pickleball, particularly at the City Park Rec Center, are very rude and inconsiderate of other patrons. They also do not want to share pickleball with young players or new players. They complained all the time to the front desk about this issue.	4/10/2024 2:27 PM
299	Not that I can think of.	4/10/2024 2:27 PM
300	Disc golf	4/10/2024 2:27 PM
301	The only lap pool avail is at the Irving street location. The other City park has v v limited lap swim timings. When Irving was under renovation there were no other options within the system.	4/10/2024 2:26 PM
302	The lack of variety in youth sports options. Why does the city only put effort into youth soccer? It has been this way for 15+ years. Many families cannot afford the competitive, private options such as Slammers Baseball or Rough Riders basketball. The City should provide a recreational option for youth in those other sports to make it accessible and affordable for ALL Westminster youth.	4/10/2024 2:26 PM
303	COVID wrecked havoc on your senior programs, so you basically need to rebuild them from scratch. Engage seniors from all walks of life in the process to not just address their needs,	4/10/2024 2:24 PM

but also to get their buy in and commitment.

304	I don't know.	4/10/2024 2:22 PM
305	No swings or slides in Oakwood Park, all we have is drug needles and homeless people sleeping in there.	4/10/2024 2:21 PM
306	No	4/10/2024 2:21 PM
307	Working water fountains and public restrooms, year-round	4/10/2024 2:20 PM
308	I would like to see the Westminster pool at 104th and Sheridan be rebuilt. There's lots of wasted space from the deep pool which no one uses. And we need more lanes. I currently pay to go to the Broomfield cold pool which has 9 lanes.	4/10/2024 2:20 PM
309	One time art sessions for adults, like a painting class or something like that. When the activities guide comes out, I always look through it but never sign up for anything. I like the programs for wildlife at Standley Lake. More pickleball courts please!!!	4/10/2024 2:20 PM
310	The playground at the Irving street library and a playground in the historic arts district	4/10/2024 2:20 PM
311	A maker space would be cool.	4/10/2024 2:18 PM
312	No	4/10/2024 2:17 PM
313	We really need outdoor soccer fields with lights for adults.	4/10/2024 2:16 PM

316	Not sure	4/10/2024 2:14 PM
317	Leave the Westminster Hills Dog Park alone!	4/10/2024 2:05 PM
318	Communication and participation.	4/9/2024 12:29 AM
319	More dog parks spread throughout neighborhoods and accessible along existing walking trails. Reduce the size of Westminster Dog Park and make more smaller parks available throughout. Add lights to tennis courts so folks can play particularly when the time changes in the fall.	4/6/2024 3:15 PM
320	Management of security	4/5/2024 7:36 PM
321	Westminster is very behind all other north area larger cities (Arvada, Broomfield, Thornton, Northglenn, Brighton, Longmont) in terms of city venues for cultural activities. This should be a priority for Downtown Westminster.	4/5/2024 1:28 PM
322	Great offerings & variety	4/5/2024 1:08 PM
323	The Irving street library is a little sad compared to Arvada's libraries. Perhaps consider adding toys, games and comfy seating for little and big kids	4/5/2024 11:36 AM

327	No	4/5/2024 7:29 AM
328	Trees. Big Dry Creek is huge, but it's brutal in the warm months. It needs native plants and trees. It's a big patch of brown dirt.	4/5/2024 7:27 AM
329	Not that I can think of at the moment.	4/5/2024 7:23 AM
330	Provide artificial finger	4/5/2024 5:53 AM
331	One thing I need to see more of are fully inclusive parks. We need wheelchair swings for those who cannot get into the special needs swing. We need more solid ground at parks since mulch can be too hard to roll through. Workout equipment along trails for wheelchairs, and those with other physical needs. There's a lot of great videos about handicap workout equipment.	4/5/2024 4:37 AM

341	The dance classes on the rec side are lacking in time availability, especially with those under 6. There aren't enough swim lessons offered. The outdoor community pool needs updating. There aren't enough toilets at most all the parks	4/4/2024 4:46 PM
342	Library app- it's so much less convenient to use the library. It doesn't seem like a big thing, but it's huge in terms of usability.	4/4/2024 4:36 PM

#	RESPONSES	DATE
1	Avoid the whole "Nature Play" park concept. It was over-promoted as to what was built plus spending \$7.0 million on 1 acre of land is ridiculous. The whole trend of changing demographics must be given major consideration. With more apartments being built in Westminster, we need more parks and open space.	5/5/2024 5:33 PM
2	More classes please Always the same ones How about Writing a will Or basket weaving Also Not enough info on websites- I received no response after emailing a question to the library because the website didn't have enough info	5/5/2024 10:18 AM
3	Get onto the tennis (and maybe pickleball, but I'm not a fan) trend that is growing fast in nearby cities. For libraries, would love to see more investment in digital loan catalog. Thank you!	5/4/2024 9:51 AM
4	More tennis courts, during the pandemic tennis was one of the only sports available, and it was exploded, Westminster players are going to other cities to play, and they could easily fill a center that generates income and provides healthy opportunities for young and old, and promotes healthy socializing.	5/2/2024 2:08 PM
5	The expansion of tennis in Colorado/Westminster has outpaced the availability of facilities for both playing and learning the sport. This underscores the urgent need for additional facilities to accommodate the increasing number of players.	5/2/2024 10:25 AM
6	Bring in USTA tennis leagues. Get in touch with USTA staff members for support on creating tennis infrastructure.	5/1/2024 12:48 PM
7	More signs asking bicyclists to announce passing. Even pros zip by and don't say a word. It's very frustrating.	5/1/2024 9:55 AM

11	The expansion of tennis in Colorado/westminster has outpaced the availability for both playing & learning the sport. WE need additional facilities.	4/29/2024 7:41 PM
12	TENNIS it's a wonderful opportunity for community members of all ages to stay active year round!	4/29/2024 6:40 PM
13	ARTS! Tennis/pickleball at more locations in city More pools especially outdoor pools Summer Camps - access is essential for working families and maybe offer at MAC or Swim/Fitness Center Bathrooms at facilities Standley Lake have more traditional parks facilities - play grounds, picnic center, a pavilion/amphitheater, outdoor pool (!) etc	4/29/2024 4:32 PM
14	A tennis and pickleball facility that has indoor and outdoor courts.	4/29/2024 9:15 AM
15	A tennis facility	4/28/2024 9:36 AM
16	Pollinator-friendly landscape, tennis and pickleball court access	4/27/2024 10:27 PM
17	Racquet sports are immensely popular, more courts are needed to support lessons and the ability to play in the city rather than driving to another city	4/27/2024 9:30 PM

18	More and more tennis players are making it harder to find available courts, especially with lights	4/27/2024 5:44 PM
19	See alobe	4/27/2024 2:41 PM
20	Definitely tennis. The expansion of tennis in Colorado/Westminster has outpaced the availability of facilities for both playing and learning the sport. This underscores the urgent need for additional facilities to accommodate the increasing number of players.	4/27/2024 12:46 PM

23	Tennis!! The rapid growth of tennis in Colorado/Westminster has surpassed the current supply of facilities for both playing and learning the sport. This highlights the pressing requirement for more facilities to meet the rising number of players. There are just not enough courts for the Arvada, Westminster and even Broomfield cities.	4/27/2024 9:44 AM
24	The expansion of tennis in Colorado/Westminster has outpaced the availability of facilities for both playing and learning the sport. This underscores the urgent need for additional facilities to accommodate the increasing number of players.	4/27/2024 7:45 AM

27	A tennis facility.	4/26/2024 10:15 PM
28	Pickleball is getting lots of news now, but tennis has actually maintained its numbers - and Westminster includes parts of Jeffco, Adams, and essentially Broomfield that WILL come to use Westminster resources but now go someplace else. Plus you can draw people in for classes and private lessons and leagues, etc. from those areas that will pay to Westminster.	4/26/2024 7:30 PM
29	The expansion of tennis in Colorado/Westminster has outpaced the availability of facilities for both playing and learning the sport. This underscores the urgent need for additional facilities to accommodate the increasing number of players. I have been playing USTA league tennis for the past 7 years and have had to join leagues based out of Boulder or Arvada in order to play. The North Jeffco Tennis Club has tripled in membership since Covid in 2020 and is struggling to accommodate all members and teams at the Arvada tennis center and surrounding courts.	4/26/2024 7:02 PM
30	Pickleball	4/26/2024 6:57 PM
31	It's important to me that libraries keep up with modern trends in literature. I'd like to see more inclusive books in the collection. Modern writing by minorities, LGBTQ, etc are important to me.	4/26/2024 5:37 PM
32	Pickle ball	4/26/2024 3:48 PM
33	Tennis is on the rise locally and in underserved diverse communities.	4/26/2024 3:47 PM
34	The expansion of tennis in Colorado/Westminster has outpaced the availability of facilities for both playing and learning the sport. This underscores the urgent need for additional facilities to accommodate the increasing number of players.	4/26/2024 3:39 PM
35	The increasing popularity of tennis!	4/26/2024 2:23 PM
36	Towns surrounding Westminster all have newer, nice tennis centers. Westminster is falling behind in providing tennis as a strong recreation program for their community.	4/26/2024 1:45 PM
37	Tennis is a lifelong sport accessible to all ages. So I think a tennis facility and more courts would all get used by the community.	4/26/2024 1:23 PM
38	Tennis programs for kids and adults	4/26/2024 1:15 PM
39	Gaining a tennis facility - so many people love to play and it would bring in revenue for Westminster	4/26/2024 1:14 PM

52	Adding tennis courts	4/26/2024 10:47 AM
53	Westi has great parks. Some of them need some TLC, but many are well-maintained and highly used. For kids, play structures should mimic nature and be less plastic. Parks should have rec facilities, like tennis, pickle and bball courts, with lights on timers, so that we can enjoy warm spring/fall evenings. Random patches of grass, called "parks", could probably be better utilized, with some rec facilities, trees, etc. Does anyone play disc golf?	4/26/2024 10:41 AM

73	Tennis's expansion in Colorado/Westminster has outpaces the availability of facilities for both playing and learning the sport. This underscores the urgent need for additional facilities to accommodate the increasing number of players.	4/23/2024 12:33 PM
74	see answer above.	4/22/2024 5:20 PM
75	Return to providing hiking / walking programs (Covid ended) The new Denver Orbital Trail (177mile/ 38 segment) would be a great place to start transport for. Likely more pickleball courts	4/22/2024 4:09 PM
76	Parks with splash pads or other water features, adding shade sails to parks with minimal shade. More family events in recreation.	4/22/2024 11:11 AM
77	Active sport facilities I.e., tennis, volleyball etc.	4/22/2024 8:24 AM
78	Please consider adding additional tennis courts. Ideal situation would be a tennis park with a significant number of courts at one location that could be used for leagues (some team events Mens/ Womens) require five matches to be played for the resulting team win on a best of 5 format. Currently we are having to play at multiple locations or stagger start. Neither is ideal given lack of lights and minimal socialization which is half of the reason for league and an important part of league tennis.	4/22/2024 8:12 AM
79	Continue to stride into a well deserved Tennis Facility that will increase interests from outside our business district of business district to sell items tennis equipment. One of our Recreational Businesses (Play it Again Sports) agreed that Tennis Center will bring them more business.	4/22/2024 6:46 AM

82	Makerspaces for programming. Another swimming pool. We are crowded.	4/18/2024 10:35 PM
83	As a senior, not sure I can answer this for younger folks, but seems like 'newer' activities, like frisbee golf, skate board parks, bicycle pump tracks, graffiti walls, events like Top Taco.	4/18/2024 5:36 PM
84	Pickleball	4/18/2024 3:16 PM
85	Keep exploring multi use spaces & outdoor nature themed & infused space	4/18/2024 12:57 PM

88	Keeping up with technology and updating programs such as virtual classes.	4/17/2024 4:08 PM
89	I don't know if this belongs here, but some way to help immigrants learn English and assimilate. How about a flea market in the college hill parking lot once a year? I love the adult Easter Egg Hunt.	4/17/2024 1:11 PM

92	I don't know.	4/16/2024 8:18 PM
93	More art by local artists on the bike paths, especially the Winona ditch that's famous for skateboarding. Would be great to have high schoolers or local graffiti artists show homage to this highly-used and very well known spot for skaters.	4/16/2024 8:16 PM
94	Online libraries	4/16/2024 7:52 PM
95	See what the neighboring towns like Northglenn, Lafayette, Arvada, Thornton, etc. are doing and learn from their successes and failures before embarking on big projects. Start introducing more cultural and lifelong learning opportunities rather than just exercise and entertainment. See what the level of success is with Arts Week, now that performance is being included.	4/16/2024 10:36 AM
96	I'm not aware of any new trends Westminster should explore.	4/16/2024 8:30 AM

101	More Farmers Markets and Festivals.	4/14/2024 8:18 PM
102	I also appreciate the focus on keeping open space to be open space and not selling it off for development. I would hope COW would keep this as a focus in the future.	4/14/2024 3:58 PM
103	Again more safe bike paths, preferably separated from cars so women and children feel safe riding on them. Sharrows are a start, but physical barriers would be great. These can be very inexpensive and easy to put in (eg, PVC pipes at set intervals protecting a bike lane).	4/14/2024 11:09 AM

109	Swimming at the damn.	4/13/2024 11:56 AM
110	Into level pickleball classes to learn the basics. I only see activities for people who know the sport already.	4/13/2024 10:01 AM
111	Naturalize the open space with native plants. Take a lesson from the Denver botanic gardens. Being water wise is not just cement and rock which create more heat islands, but adapt to the natural environment and add native plants and trees.	4/13/2024 7:20 AM
112	Add additional dog parks to keep current parks from being overcrowded	4/13/2024 7:18 AM

116	I don't know	4/12/2024 4:57 PM
117	Pickleball is big and still growing. Westminster had the leg up but has since lost it. Now it's only for beginners - you need to build this up Have an aquatics program - please - a real one like other cities of comparable size (or even smaller ones!) address issues with trail safety	4/12/2024 3:56 PM

122	I think it is important to concentrate on upgrading, maintaining and utilizing the existing good to very good (especially the well-used) facilities and programs than migrate support and funds to look for some new fad to build.	4/12/2024 10:38 AM
123	maybe more kids playgrounds in parks	4/12/2024 10:29 AM

144	The parks department, specifically those who plow the sidewalks from snow in the winter, always drive over the grass and tear it up, in Ryan Park. I've lived here 24 years and there has not been a winter where they do not plow over the grass and rip it up.	4/11/2024 3:18 PM
145	More yoga, HIIT type workouts would be great!	4/11/2024 1:26 PM

247	Be more like Arvada libraries.	4/10/2024 4:11 PM
248	More accessibility, bike infrastructure, and a focus on pedestrian traffic to these areas. Car centric access to these areas diminish availability to others who live in the area. EX: No safe crossing across 80th to get to Bishop Square Park. Additionally, updating some of the existing sports/rec equipment and areas for more popular sports (basketball, pickleball, etc). Ensuring there are safe corridors to link these existing resources would make a great deal of impact. EX: Wolfe Run Park has a bike/pedestrian tunnel to little dry creek park that is closed off due to disrepair and flooding. Forcing people to go to the street. There is no ETA for this being fixed. EX: The 72nd street corridor connecting Bradburn to Little Dry Creek to England Park and Westminster Station Park. This is a high car traffic area that is unsafe for pedestrians or cyclists who may want to use these resources.	4/10/2024 4:07 PM

262	An adult makerspace or partnership with some of the "large" machine makerspaces. Classes offered in said makerspace. Helping communities create Little Libraries.	4/10/2024 3:26 PM
263	Parks - at some point and I don't know when or how, electric bikes on the trail has to be either eliminated or slowed. Too many times I'm riding and a large group of e-bikes are riding at full-speed down the middle of the trail. Unfortunately someone will need to be seriously hurt/killed before something is done and that's a shame. I understand for many, it's an opportunity to still get out and ride but for many on the e-bikes, there is zero peddling and going full-speed down the middle of the trail. Lastly - many folks walking with kids/dogs/strollers are walking across the full width of the trail and not paying attention. On more than one occasion I've had to come to a complete stop or go off trail to avoid them. When I do say something - it is often not received well.	4/10/2024 3:21 PM

273	Apex and highland hills do a great job on creating recreational leagues such as pickleball Apex does a better job though when it comes to not having to pay for it they have rules set out on the pickleball courts to make it so that one person can go and still challenge in. 79	Lack of walking connections to some parks from denser housing. E.g. look at Kings Mill condos not having a bridge over farmers high line to Somerset park. W 90th Ct. Should also have a walk-through to Somerset at the end of the cul-de-sac. Distance to library branches.	4/17/2024 10:32 PM
80	Anger and lack of respect toward city for not implementing what residents want	4/17/2024 5:57 PM

82	Location, over crowded, not advertised enough, parking.	4/17/2024 1:11 PM
83	Crime, unsafe areas. I live in 80234 zip, my area has seen more homeless, garbage left in our public areas and drug dealing near my home. I am don't feel as safe on the walking trail north of me because homeless people sleep there and dog owners don't seem to train their dogs. The dogs bark and lunge at passers by. The streets used to get to the parks don't feel as safe. Some drivers road race on streets, at times in the evening when many other cars are on the street.	4/17/2024 11:02 AM
84	costs for kids summer programs for those with limited incomes	4/17/2024 8:22 AM
85	Transportation, hours	4/16/2024 8:28 PM
86	Same as above: Not feeling safe (myself or my young children) in the Rec Center pool due to people throwing footballs/rough housing in the pool and lifeguards not stopping it. I also am hesitant to have my eldest return to Kids Nite Out, as the Rec closed off water fountains and water filling stations, so my child had to pay for more water-- I felt like this was taking advantage of the kids (and families), as water is otherwise free and this also adds to landfill waste. Homeless people/tents along walking/biking trails also deter me from using these great outdoor amenities.	4/16/2024 8:18 PM
87	None	4/16/2024 7:52 PM
88	I don't see that there are any barriers. If people want to participate, there is ample opportunity	4/16/2024 2:51 PM

247	Westminster as a whole, as well as surrounding municipalities, have a problem with suburban sprawl acting as a barrier to social community and the use of public resources such as parks, libraries, and other public facilities. It is important for PRL to take a strong stance toward urban planning in collaboration with other city and regional agencies and leaders. Densification, public transit, walkability, and drastically reduced emphasis on automobile-centered design are crucial to increasing civic engagement with PRL facilities as well as to protecting environmental resources, as is part of the role of the parks aspect of PRL.	4/10/2024 3:24 PM

303	The heat and lack of shade Lack of accessible transit	4/10/2024 2:18 PM
304	None	4/10/2024 2:17 PM
305	Not enough facilities to draw in participants.	4/10/2024 2:16 PM
306	Not providing public bathrooms and blocking trails prevents people from using them.	4/10/2024 2:15 PM
307	None	4/10/2024 2:15 PM
308	Overpopulation... Too many people in the facilities for them to be useful to citizens	4/10/2024 2:14 PM
309	Leave the Westminster Hills Dog Park alone!	4/10/2024 2:05 PM
310	Accessibility by bike / footpath. Busy roads with no pedestrian safety. No speed bumps on roads to parks / rec centers - lots of speeding cars in a child focused area	4/10/2024 10:43 AM
311	north side of Westminster deserves more parks for kids and dogs.	4/9/2024 5:11 PM
312	Awareness, Communication, Timing, accessibility	4/9/2024 12:29 AM
313	Not yet.	4/5/2024 7:36 PM

319	The library may be noisy, which is a bit distracting.	4/5/2024 8:16 AM

321	Less programs = less opportunities for people to engage.	4/5/2024 7:23 AM

324	噪音和交通	4/5/2024 3:19 AM
325	Very likelyThe specific possibility of participation is also influenced by the following factors: personal time and interest: whether there is enough time and interest in related activities. Library publicity: the publicity intensity and scope of the activity. Location and transportation: the convenience of going to the library.	4/5/2024 2:51 AM
326	The public doesn't know what's in it.	4/5/2024 2:07 AM
327	Work, study, or other daily tasks occupy a lot of time, resulting in people not having enough free time to participate in activities. Some activities may require payment of fees, which may be a barrier for some people. Insufficient promotion of the event resulted in the public not being aware of relevant information. The event location is inconvenient to reach or the surrounding transportation is inconvenient.	4/4/2024 11:52 PM
328	There should be more handicap accessible parks. Every child should be able to have fun in every park. Also things aren't actually open at times that work for working people. Most households have 2 working parents that often work a 9-5ish schedule. If your only storyline, fitness classes, and your hours are also 9-5 then those resources are useless. Children with working parents will never experience library story time.	4/4/2024 10:45 PM
329	I don't know the theme and opening hours of the event.	4/4/2024 9:59 PM
330	Traffic convenience	4/4/2024 9:45 PM
331	Possible underutilization of resources	4/4/2024 8:33 PM

11	Westminster does a great job.	4/28/2024 9:36 AM

27	Public spaces are ideal places to display arts, showcase local culture, and discuss history. Look at Golden - they do this well.	4/26/2024 10:41 AM
28	Continue the existing events and communication to residents via email.	4/26/2024 10:26 AM
29	unknown	4/26/2024 10:23 AM
30	More public facing library events!	4/26/2024 10:20 AM
31	Continue to partner with local groups like Phamaly to present and cross-promote theater and arts. We loved the recent Holmes production - so inclusive and excellent content!	4/26/2024 10:10 AM
32	Not sure	4/26/2024 10:03 AM
33	Museum	4/25/2024 5:15 PM
34	Host events throughout the city.	4/25/2024 12:53 PM
35	Don't. Focus on governing. You all seem to get out of your lane quite often. Please steer back into your lane and govern. We don't need entertainment from government.	4/25/2024 10:30 AM
36	Community outreach by simply finding a ways to let us know how to participate	4/25/2024 7:04 AM
37	Would love to go on a history walk or something! I also really enjoy seeing murals and art along the big dry creek path and on electrical boxes.	4/23/2024 5:55 PM
38	Pop up/traveling options like art ala carte or outdoor movie nights being more frequent and spread over more areas of the city. Countryside hasn't had a movie in the park for several years, and I don't even see the movie at the pool for this years activity catalog. More emails or flyers advertising activities than just the activity guide. Apex has a mailing list for each enrollment cycle with classes and ages listed for each	4/22/2024 11:11 AM
39	Community outreach and public interaction	4/22/2024 8:12 AM
40	Create a separate Website in order to find activities that are going to on in our city separate from The City website that is hard to navigate.	4/22/2024 6:46 AM
41	Nothing comes to mind	4/20/2024 12:04 PM
42	Have children hear stories of Westminster and its history with kids acting out the stories. Make items used by previous generations. Krumkake making, stack cakes, whoopie pies, etc	4/18/2024 10:35 PM
43	?? Through school districts.	4/18/2024 5:36 PM
44	First Fridays, Art Walks, better promotion of events, local and neighborhood	4/18/2024 3:16 PM
45	- Have more frequent events to engage the public - they don't have to be full-blown events like the fall fest, more like monthly workshops - maybe something pretty informal like a westminster info session organized through Meetup monthly - Consider using local community leaders as one-to-many communicators, e.g. neighborhood reps who can convey information to their neighborhood groups	4/18/2024 2:30 PM
46	Public events	4/18/2024 12:57 PM
47	Have various events at different facilities to promote these activities	4/18/2024 11:20 AM
48	Have local kids or artists paint electrical boxes around the city	4/17/2024 10:32 PM

53	performance venue that would allow use year round, making these venues affordable for outside groups to use	4/17/2024 8:22 AM
54	Look at what other cities do, bring in leaders of other cultures to run programs or events	4/17/2024 8:13 AM
55	Promote via community partners and businesses. So many people don't frequent parks or read	4/16/2024 8:28 PM

	city literature.	
56	Continue what you're doing-- emails, outdoor signs, and social media.	4/16/2024 8:18 PM
57	More art by local artists on the bike paths, especially the Winona ditch that's famous for skateboarding. Would be great to have high schoolers or local graffiti artists show homage to this highly-used and very well known spot for skaters.	4/16/2024 8:16 PM
58	Museum	4/16/2024 7:52 PM
59	More art fairs at multiple locations. I'd love to see more farmer's markets. My pet peeve is calling the current sea of apartment buildings that used to be the Westminster Mall the "new downtown"	4/16/2024 2:51 PM
60	Invite performing arts groups and classical/Baroque performers to Westminster. They have SCFD funding and can also provide musicians and performers to schools to introduce kids to classical music, dance, opera, and theatre. We have a good venue at the high school.	4/16/2024 10:36 AM
61	Possibly offering more Colorado state and Westminster history: art, living history type experiences, a junior rodeo, rock, gem, and mineral show and mining	4/16/2024 8:30 AM
62	I'm not on social media so I don't hear about promotions. This is a tough one to get the word out in other formats.	4/16/2024 8:10 AM
63	I don't know.	4/15/2024 12:02 PM
64	Quarterly news email highlighting events or historical location	4/15/2024 7:27 AM
65	I believe arts, culture and history are well represented in the City	4/14/2024 8:18 PM
66	not sure	4/14/2024 3:58 PM
67	I would love to see the formation of a more accessible art guild, and opportunities for artists to show their work and participate in cultural events.	4/14/2024 11:09 AM
68	Expand fine art classes to libraries or other public buildings, not just the rec center. Bring in concerts (school kids, hobbyists, or professionals) to the larger parks or any public building that can handle an audience. Put on or invite groups that can put on cultural education events. I attended a city sponsored event asking this question around 5 years ago and was extremely disappointed that no city effort was put into this. This tells me that the city should HIRE and arts, culture and history advocate. You are missing out on SCFD funding!	4/13/2024 8:49 PM
69	Have a more diverse decision and event planning team.	4/13/2024 7:09 PM
70	I like the kiosks with info. Signs with native plant names	4/13/2024 5:52 PM
71	hosting cultural events that represent the diversity of the people of Westminster (and ideally are organized by members of that cultural community so they are as accurate as possible)	4/13/2024 1:02 PM
72	Use school dist. 50	4/13/2024 11:56 AM
73	I love the printed Activity Guide. I also appreciate the emails about events and activities.	4/13/2024 10:01 AM
74	The city probably lost that opportunity with the debacle of 73rd Ave. At one time you could have made an Olde Town Arvada-like art center there but with the priority of building "downtown", "Uplands" and a transit center with a one stop train the chance to enrich the city cultural footprint may be gone. The decision to create a city that is just a suburban bedroom community to Denver/Boulder closed that door.	4/13/2024 7:20 AM
75	Offer tours of the city focused on art / history	4/13/2024 7:18 AM
76	1) hosting events for local artists 2) historical and educational films 3) TED-like talks or community viewings of TED talks 4) events with local historical writers 5) ghost towns of Colorado day or something similar in October, caroling in the park in Dec, Easter egg hunt for Easter 6) register volunteers day 7) expand reading programs for youths: stories in the park, story telling in the park, theatre in the park 8) heritage days: Filipino heritage day, Mexican heritage day, etc 9) art competitions, writer's competitions, dance competitions, etc 10) community gardens 11) community minded programs	4/12/2024 7:57 PM
77	The art festivals are a nice way to do that.	4/12/2024 4:57 PM
78	no ideas	4/12/2024 3:56 PM

Parks, Recreation & Libraries Vision Plan - Online Questionnaire #2

79	I would rather see the Westminster PRL spend money on recreational needs rather than spending money promoting arts, culture, & history.	4/12/2024 2:13 PM
80	Just keep doing what you are doing. I utilize the library and facilities often and I always see a variety of books, art, culture and history on display. It's one of the reasons I enjoy living in Westminster.	4/12/2024 12:36 PM
81	Signs everywhere	4/12/2024 11:28 AM
82	Get the word out when and where there are arts displays, shows, etc.	4/12/2024 10:51 AM
83	I think a good job is already being done.	4/12/2024 10:38 AM
84	more programs for the local public to attend free	4/12/2024 10:29 AM
85	Continue to sponsor public participation in shows and events.	4/12/2024 10:02 AM
86	More publicity about what is available and how to access it.	4/12/2024 9:06 AM
87	Don't know.	4/12/2024 8:17 AM
88	I think they are doing this already.	4/12/2024 8:08 AM
89	Tours or self guided tours	4/12/2024 7:02 AM
90	Build a public history center in the former Rodeo Market in historic Westminster. Expand the Standley Lake Nature Center and include more history/culture of the area. More art in parks and buildings.	4/12/2024 6:47 AM
91	Have information available and easily seen - high profile - at big events such as Westy Fest, Beer Fest, Top Taco	4/12/2024 5:23 AM
92	Festivals, holiday events	4/12/2024 5:21 AM
93	By moving ahead with much that has been started with trips, sports, classes in (art, drawing, instrument playing, pottery, finance, etc.).	4/11/2024 11:44 PM
94	Take Westminster history on the road to HOA events.	4/11/2024 8:31 PM
95	Look to the great work that Denver has done for examples. Art can be huge or it can be small. Even small art installations should be considered in more places. Additionally, if there are opportunities for more live music, that would be awesome as well.	4/11/2024 8:18 PM
96	My Library provides all 3 everyday. My Neighborhood Park has metal plates in the grass with History & Culture of People and some Art works near the K-5 School.	4/11/2024 7:34 PM
97	Talk to the people in the community and be inclusive. Not leaning so much one way or the other.	4/11/2024 6:02 PM
98	Perhaps offer fliers at schools, or promote events in the local schools to drive awareness to events.	4/11/2024 3:38 PM
99	Once again, MAKERSPACE!!! Immersive oppourtunities. Enhance the art district. Hire me! (I'm an immersive artist, environmental historian, and educator--this is what I do. Contact me at karmen.lee.franklin@gmail.com if you want!)	4/11/2024 3:30 PM
100	More photos of Westminster's past and how things have changed would be great, in dedicated spaces.	4/11/2024 1:26 PM
101	I think they do a great job. Love the murals on the trails	4/11/2024 1:07 PM
102	Continue to invest in the programing is already has in place which is robust. Build on the successes of the Harvest Festival and add a Battle of the Bands, a artist showcase weekend, more work with the Catamounts, etc. Keep providing space for events like Top Taco, and continue to market to events to expand and do more of these! Create a more purposeful plan and space for public art and ensure it represents Westminster's past present and future in a thoughtful way. Do more with high school students to educate them about the city they live in (get them to create a public art piece, help them know more about the history of the city they live in, add VR / augmented reality opportunities to park spaces to encourage them to be outside in our community.) Keep funding the INCREDIBLE library program and continue to expand their offerings.	4/11/2024 1:05 PM

Parks, Recreation & Libraries Vision Plan - Online Questionnaire #2

103	More pottery classes.	4/11/2024 1:00 PM
104	We have good statues in City Park and Shops at walnut creek, but we need more sculptures, statues, and distinctive architecture (on trash cans, benches, fences, buildings like in Europe) throughout the city; those promote the arts consciously and subconsciously. I suggest we add more areas for small live concerts and movies at the park, add more flowers and trees, and take suggestions from NY's Central Park.	4/11/2024 12:58 PM
105	Not sure	4/11/2024 12:29 PM
106	Just do it! Better PR for arts events I.e. Westminster Arts Week Community Art Show at the Fuse Box!	4/11/2024 12:27 PM
107	Hire more culturally diverse community members, hold more spaces to hear what ALL community members need/want.	4/11/2024 12:22 PM
108	Don't know	4/11/2024 11:17 AM
109	An app could push notifications and allow Westminster residents access to a calendar of events.	4/11/2024 10:51 AM
110	Perhaps invite C.U. and University of Denver professors to speak, especially regarding history.	4/11/2024 10:50 AM
111	Sponsor free events. There are performances, etc. but they're kind of expensive. Continue to promote black, indigenous, and other people of color's art and contributions.	4/11/2024 10:33 AM
112	The city and county should offer more opportunities for Artisans markets at affordable prices to promote the arts like the City of Broomfield does.	4/11/2024 9:43 AM
113	E-Mails and community flyers	4/11/2024 9:19 AM
114	Communicate the importance of community on an individual level: health benefits, social benefits, even financial benefits. For example, a well designed park with access to amenities (and downtown) offers great opportunities for self improvement and enjoyment, which may reduce anxiety, loneliness, lack of self worth and apathy.	4/11/2024 9:18 AM
115	more programs, you're doing great but there can always be more	4/11/2024 9:15 AM

119	I don't know	4/11/2024 9:00 AM

121	Provide occasional art shows like what's at college hill	4/11/2024 8:51 AM
122	I think you offer many group trips to events, arts, etc at very affordable prices. Perhaps people who do not get the activities guide aren't aware these are available.	4/11/2024 8:49 AM
123	Be more inclusive of DIFFERENT cultures.	4/11/2024 8:45 AM
124	Have a first Friday to encourage galleries to come to Westminster	4/11/2024 8:34 AM
125	Westminster does not seem to have a municipal indoor venue for the performing arts.	4/11/2024 8:30 AM
126	Rotating educational exhibits. Something that PRL sponsored to have local kids/schools make some kind of historical exhibit. Or science or informational exhibit relative to our community, example an exhibit on water conservation or forever chemicals or something like that. Theater clubs and plays/shows. Music clubs and shows/recitals.	4/11/2024 8:22 AM
127	Events at neighborhood parks	4/11/2024 8:17 AM
128	Art classes , exhibits in public places , outdoor concerts ( which you already have ) . If people who are knowledgeable want to promote history , go for it . As far as who is interested , and if you could collect a fee , that's debatable . I I have lived here since 2006 , my husband since 1990 . Sometimes we are tempted to attend events , but there's way too many and too much already available . We are too overwhelmed by our day to day . We seldom attend even free	4/11/2024 8:08 AM

130	Add more cultural diversity programs	4/11/2024 7:35 AM
131	Provide classes. Do cultural events. Create areas that express the history...informative signs.	4/11/2024 7:34 AM
132	Art fairs, history day, city wide events, music festivals, etc.	4/11/2024 7:26 AM
133	Have car shows at Downtown area. Golden has a Friday night on Main Street and they are fun and gathers crowds.	4/11/2024 7:00 AM
134	Emails like this	4/11/2024 6:04 AM
135	Provide a museum for local and Colorado history. Continue to promote art education and workshops.	4/11/2024 5:38 AM

181	Continue the art in the libraries, love seeing the watercolors and other art shows from the public and FRCC.	4/10/2024 4:48 PM
182	Maybe show more programs about earthquakes, volcanos etc., in park settings & screens to educate & inform the general public & population about the hazards concerning what each state has. For instance, Ca., has daily earthquake activity, landslides, mudslides & what to do in the event of a disaster. The general public are mostly unaware of the earth & the up & coming weather related challenges. Its not a picnic in the park anymore.	4/10/2024 4:36 PM
183	Better brand Westminster. Half the time I'm not even sure if I'm in Westminster, Thornton, Northglenn, Arvada, etc. Embrace the new downtown Westminster and try to highlight it as a	4/10/2024 4:36 PM

211	Wine and cheese party with art displays.	4/10/2024 3:13 PM
212	As an artist, I like the different call for arts that cities create, which can also sometimes include community involvement. I really like Boulder's art/culture scene so finding ways to emulate that might be helpful.	4/10/2024 3:12 PM

226	I think doing something like Broomfield days and building onto it for Westminster would be great. Events that include local artists, provide history in a fun way like a scavenger hunt that includes historical factoids, and providing new experiences like hosting a Westy trivia at a local beer house or Westminster restaurant with prizes from historical vendors would be a fun way to engage and promote those things.	4/10/2024 2:56 PM

247	I don't attend them but I like the events you host	4/10/2024 2:18 PM
248	Lol, can't when the city council freaks out about urban art or young people expression. Maybe with HOAs to be less petty? It would be nice to have art, culture, and history part of my neighborhood rather than separate from it.	4/10/2024 2:18 PM

260	Westminster does a poor job of interpreting its history and historic sites on the City website. Construct a new combination library and Auditorium in Downtown Westminster, similar to the Broomfield library. Install interpretive signage on 73rd Ave to showcase the existing historical buildings. Relocate Fire Station 1 and turn the building into a cultural arts venue, similar to the Armory building in Brighton.
