## Update General Preferences

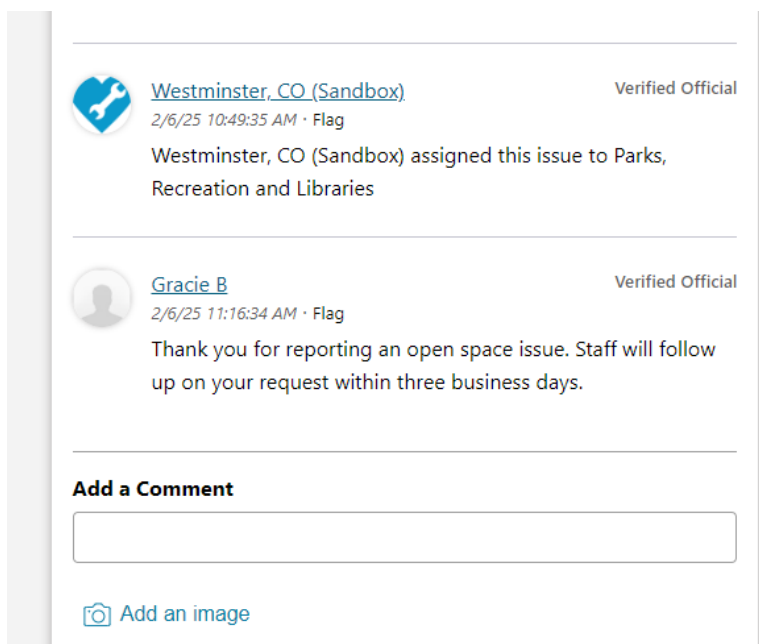

1. To update your general preferences, such as your username, default location, and time zone, click your avatar and select “Preferences.”

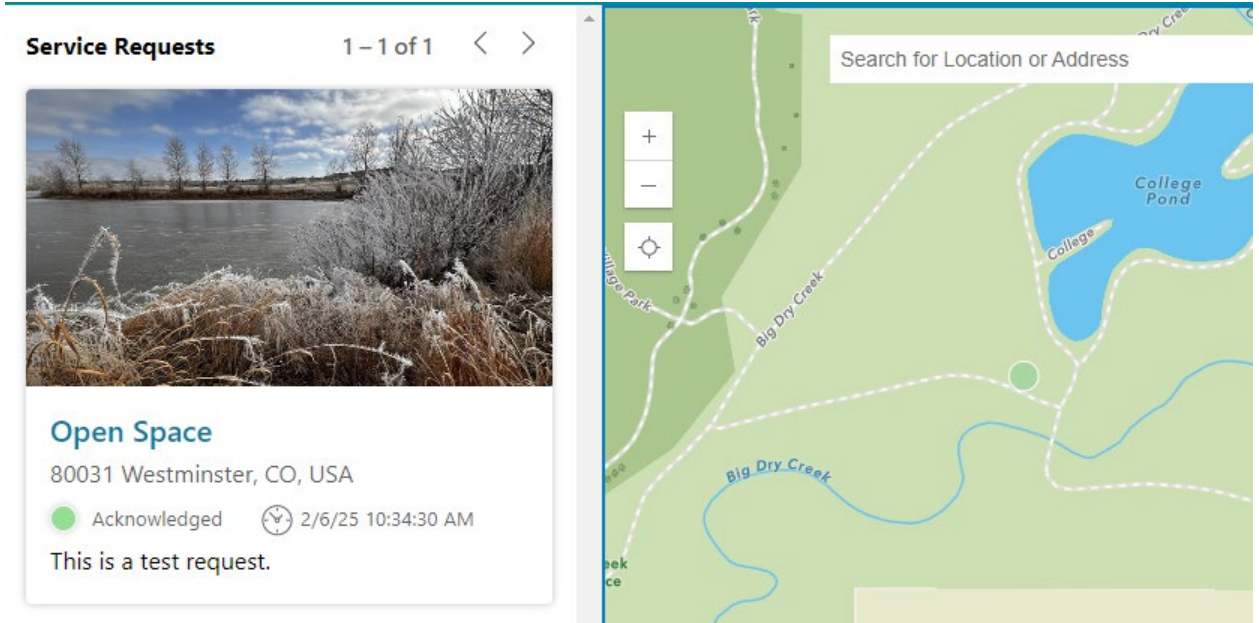

## City Response

If you have opted in to email notifications, you will receive email updates as City staff process your request. When you first submit your request, you will receive an acknowledgment from staff that your request has been received.

1. When you receive an acknowledgment from City staff, it will appear in the comments section of your request.

- When staff have acknowledged your request, the dot that corresponds to your request will change to green.

- When staff close out a request, they will leave a comment. The dot will change from green to blue, indicating the request is closed.
